THREE LOCAL GIRLS MISSING; POLICE SEEKING THEM

Trio Disappears and Plot to Kidnap One Suspected; Parents Are Frantic

Three Glendale girls are missing! One may have been kidnaped, the other two are believed to have run away. They are:

JESSIE WYTE, aged 16, ward of the Rev. and Mrs. Frederick W. Paap of 1434 East California avenue, and student at the San Fernando academy of the Seventh-day Adventists.

MARCELLE KOHL, aged 14, daughter of Mr. and Mrs. Harry J. Kohl of 332 Arden avenue.

KATHERINE SUNAR, age 16, ward of Mr. and Mrs. L. R. Black of 607 North Howard street.

Little Miss Wyte, a buxom lass, left the academy the first of the week without her hat or wraps and it is feared that she has been kidnaped, although Mrs. Paap tells the police she has reasons to believe the girl has run away. Her home life, however, was ideal and she was taken by the minister from a court in Tennessee.

The parents of Marcelle Kohl are frantic about her disappearance yesterday morning for they thought she was going to school as usual. Last night when she did not return, Beatrice Duernay of 118 Arden avenue, a school chum, became interested in the whereabouts of Marcelle and Katherine Sunar. She informed the police of their disappearance.

It was learned from Mrs. Black this morning that the Sunar girl is a ward of the juvenile court. The county authorities have been informed and they are on the lookout for the pair.

The local police are running down every clue in an effort to bring back the girls, and Chief of Police A. O. Martin this morning expressed the idea that all would return within a few days.

Pleasing Program Is Presented for Neighborhood Party

A very unusual and unique social affair in the nature of a neighborhood entertainment was held last night at the home of Mrs. F. Farnham and Mrs. R. B. Carlock at 415 South Lincoln avenue, with fifty-one friends and neighbors present. The program for the evening included the following numbers:

Instrumental, selected, by Dorothy Forbes; vocal, "Let the Rest of the World Go By," by Elva Bowen; reading, "Guilty or Not Guilty," by Dorothy Forbes; whistling solo, "Valse Mignon," by Doris Forbes; reading, "O'Grady's Goat," by Elva Bowen; vocal, selected, by Henry Cantor; descriptive pantomime, "Little Bo-Peep," by Nellie Jepson, Dorothy Forbes and Doris Forbes in Colonial costume; dance, minuet, in costume by Nellie Jepson, Dorothy Forbes and Doris Forbes; reading, "Sockerty Sets a Hen," by Herbert Jepson; vocal, "Dreamy Moon," by Nellie Jepson, Elva Bowen and Dorothy and Doris Forbes; reading, "Twins," by Doris Forbes; vocal, "'Till We Meet Again," by Nellie Jepson, Dorothy and Doris Forbes and Elva Bowen; vocal, selected, by James Zager; reading, "Entertaining Her Sister's Beau," by Nellie Jepson; vocal solo, selected, by Mrs. Howard Edward Cavanah; whistling solo, "'Neath the Autumn Moon,'" by Mrs. Fern Farnham Carlock; vocal duet, selected, by Mr. and Mrs. Howard E. Cavanah; dance, "Bedtime Frolic," by Nellie Jepson, Dorothy and Doris Forbes.

Mr. Cavanah has recently opened his studio at his home, 520 North Kenwood street.

Horseshoe Club Proves Feature for Tourists

The Glendale Horseshoe club during the past summer has proved a big attraction for tourists, states W. H. Nichols, 322 East Fairview avenue, secretary of the local organization. Last summer there were thirty tourists registered with the club, and all were frequent visitors at the grounds on West Broadway to enjoy pitching horseshoes and croquet.

Every tourist, said Mr. Nichols, on leaving here at the end of the summer, expressed much enthusiasm over the city and the enjoyment furnished by the horseshoe club, and every one left with the intention of returning to Glendale either on a visit or with the intention of coming here to reside.

SAYS PROPERTY NOT SOLD

Mrs. J. E. Phillips stated this morning that the corner on which the Jewel City Undertaking company's establishment is located positively had not been sold and that there was very little likelihood that it would be.

PASTOR TAKES APARTMENT

Rev. J. E. Livingston, newly appointed pastor of the Casa Verdugo Methodist Episcopal church, has taken an apartment at the old Pepper Tree Inn on North Central avenue.

Business Block Will Be Erected, S. Brand, San Fernando Road

It is reported by the W. A. Heitman Real Estate office, Los Angeles, today that four lots at the northwest corner of San Fernando Road and South Brand boulevard have been purchased by George B. Karr, 1148 North Louise, and that ground is to be prepared the first of the week for the erection of a large building comprising a drug store, a shirt factory, and a general store.

The four lots include 158 feet on the North Brand boulevard front and 170 feet on the San Fernando Road. The structure will be a one-story brick with Italian renaissance architecture. At the Brand boulevard-San Fernando corner a Western Union clock will be installed. The total cost, states the Heitman realty office, will be about $45,000.

The new building will necessitate moving the W. A. Heitman branch realty office and as yet it is not announced just where it will be located.

NATIONAL OFFICERS MEET HERE WITH WAR MOTHERS

Prominent Women Present at Patriotic Gathering In Mrs. Dick's Home

The Glendale Chapter of War Mothers of California held the most enthusiastic meeting in its history on Friday afternoon at the home of Mrs. Dellam Dick, 309 N. Louise street. Two national officers and many other prominent War Mothers from all over the country were present.

In the absence of the president, Mrs. L. T. Rowley, Mrs. Edward Hopkins, Los Angeles county War Mother, presided. Mrs. J. N. McGillis, secretary, was at her post of duty.

The meeting was opened with a song and prayer. Due to the presence of so many prominent guests routine business was dispensed with. Mrs. R. E. Digney of White Plains, N. Y., National War Mother of America, was introduced, and gave a wonderfully instructive and inspiring address. She referred to "the unpardonable lack of appreciation on the part of so many ungrateful people as is evidenced by an almost total indifference for the comfort and welfare of the brave boys—true heroes—whose lives were offered, and in many thousands of instances given, that we at home might live." She deplored the fact that in many sections of the country inexcusable conditions exist at the present time, and she urged those present to not allow their patriotism to wane, nor to permit one single war hero to be discarded or allowed to suffer.

Commends Legislation

Mrs. Digney highly commended legislation recently enacted by the state of California in behalf of the returned soldiers. She was most enthusiastic in her praise of the spirit of patriotism in California, and for the courtesies extended by the state convention in Sacramento in September to the national officers who were in attendance.

Especially did the national officers appreciate the royal address of welcome by Governor W. D. Stephens,

AMERICAN LEGION MAKING PLANS FOR CARNIVAL PROGRAM

Friends of Candidates for Queen Giving Their Support Very Liberally

WINIFRED STERNBERG (left); FLORENCE KRISKE (center), and EDNA BRONNENBERG, (right), another trio of Glendale beauties. The first named leads in the queen contest at present

Plenty of Enthusiasm Being Displayed by Supporters of Contest Entrants

Will Miss Winifred Sternberg long maintain the lead in the contest being waged for the American Legion Armistice Week Carnival Queen?

The friends of another candidate have taken 2,000 tickets to sell, it was reported at headquarters this morning. And this isn't all, either. Every one of the bevy of beauties have their host of admirers working for them.

At last night's meeting of the American Legion, arrangements were completed for carrying out a most successful carnival program. The executive committee's action in making a contract with the Sheesley Shows was reported and a committee was named to carry out the details of the week's festivities, beginning November 7.

Favors No Candidate

The Legion went on record as favoring no candidate in particular, but extending aid to all who sought to be queen of the carnival and preside in the Armistice Day parade. All will have access to the American Legion hall for entertainments if they care to stage them for their own benefit.

The Misses Mildred McCoubrie, Grace McComb and Margaret Chapman are recent entrants in the contest which is exceeding all expectation of L. W. Hoge, the manager, who has headquarters at the Monarch Auto Supply company, 121 South Brand boulevard.

Miss Sternberg, who, the official standing shows to be leading in the contest, is employed at Pope & Tollett's and she has a large coterie of friends among the merchants.

Miss Florence Kriske is "hello girl" candidate. She is an operator at the local switchboard of the Pacific Telephone & Telegraph company and resides at 422 East Harvard street. She has the support of her co-workers.

Miss Edna Bronnenberg is employed in the offices of the Southern California Gas company here and resides at 214 West Harvard street. She comes from Indiana originally and has a host of Hoosier friends.

Standing of Contestants

Miss Winifred Sternberg	5,925
Mrs. Elleene Wheelon	3,350
Miss Viola Yorba	3,100
Miss Lucile Park	2,625
Miss Helen Mazar	2,175
Miss Helen DeLaine	1,350
Miss Lucille Heinze	700
Miss Marie Hearnshaw	450
Mrs. Warren Roberts	125
Miss Dorothy Morton	100
Miss Louise Moniot	100
Miss Mildred McCoubrie	100
Miss Edna Bronnenburg	100
Mrs. Esther Day	100
Miss Florence Kriske	100
Miss Margaret Chapman	100
Miss Margaret Eckles	100
Miss Grace McComb	100

J. B. McClellan Is Back From Illinois; Tells of Conditions

J. B. McClellan, 126 North Central avenue, while calling today at the realty office of Wilken & Merriken, 123 South Central avenue, had much to relate concerning his recent visit of seven months in Illinois and the conditions there. Mr. McClellan visited in Warren and Mercer counties and while there this summer rebuilt a country home near Alexis to replace the one which was destroyed by fire some time ago.

Much hot weather was experienced this summer and until late in the season there were few rains, the drouth having a bad effect on oats and corn. Late in the summer there were many electrical storms and the corn took on a new growth which proved rather injurious at that time of the year, he said. Mr. McClellan states that a very large acreage of fall wheat is being planted in the state, and while the farmers are rather hard hit by the weather conditions and the low price of farm products during the past year, yet they are rather philosophical over the matter.

Glendale was a very pleasant change to the weather encountered by Mr. McClellan in Illinois and he was glad to get back to the city once more, he stated.

Come Here After Auto Trip of Seven Weeks

Mr. and Mrs. U. V. Hounsell of 604 South Glendale avenue are happy to have with them their two sons, Victor Hounsell and Theron C. Hounsell, who have just arrived by automobile from Schenectady, N. Y., where they have been employed by the Edison General Electric company. The overland trip took seven weeks and included many adventures but no mishaps. Both of these young men are graduates from Throop college. After having been in the east for about a year they have decided that there is no place like southern California and will now remain here permanently.

F. H. Vesper Gives Talk Before Legion About Alaskan Trip

F. H. Vesper, widely known banker here, gave a twenty-minute talk before the American Legion last night, further describing his trip to Alaska during the summer. It was decided by Glendale Post No. 127 to attend the Congregational church, Sunday evening, November 6, when the Rev. C. M. Calderwood will deliver a patriotic sermon in observation of Armistice Day. He was a chaplain in the army and is a member of the local Legion.

Three applications for membership were received and it was decided to have a membership campaign following the Armistice Week carnival. Commander E. O. Kiefer and all other officers were present last night, although there were a large number of members A. W. O. L.

Woodmen Banquet; Plan to Construct a Clubhouse

After the regular meeting last night of Glendale camp, Modern Woodmen of America, a banquet was served by the Royal Neighbors of America, the auxiliary of the former large. It was open to the public and as a result approximately 200 people were present. After the delicious victuals had been put away, music was brought forth and dancing concluded the evening's program.

An entertainment committee was appointed by the Woodmen and the last meeting each month will be given over to social features. The building committee has been authorized to find a suitable location for the erection of a clubhouse which is planned for the future.

Mrs. T. S. Caldwell Is Hostess at Luncheon

Mrs. T. S. Caldwell of 335 West Broadway entertained at a beautifully appointed luncheon Thursday at 1 o'clock in honor of Mrs. B. Wilson of Riverside, mother of Mrs. Caldwell, and who is a house guest at the Caldwell home. Decorations were of crimson dahlias, for which the Caldwell garden is noted. A cluster of zinnias centered the dining table. An afternoon of conversation and needlework was enjoyed after the luncheon by the following: Mrs. Victoria Bloor, Mrs. Emma Wood, Mrs. B. Wilson, Mrs. O. R. Barnette, Mrs. J. H. Sherman, Mrs. W. S. Ingram, Jean Ingram, Jean Caldwell, Stuart Caldwell and the hostess, Mrs. T. S. Caldwell.

JEWELS REPORTED STOLEN

Mrs. M. G. Davidson of 617½ South Brand boulevard reported to the police yesterday that a sneak thief had taken a jewel box from her home containing three rings. The theft occurred on Thursday and Friday morning she gave a description of a suspect to the officers.

Jack Southard of 341 West Doran street had his bicycle stolen at the Intermediate school yesterday.

APPRECIATED!

From everywhere in Glendale and vicinity comes the call:

"We want The Evening News! It's the paper that gives us the news and the paper that carries the advertising of individuals and firms who are actively doing things in Glendale."

A letter received this morning from a prominent Glendale man says, in part:

"The people of Glendale are to be congratulated upon having a publication OF PURELY LOCAL INTERESTS so unselfishly devoting its columns to matters of public benefit, managed, edited and printed in a manner to do credit to a city many times our size."

Thank you!

Today's World News In Brief

(By International News Service to Glendale Evening News)

WARNS PEOPLE OF UPPER SILESIA TO 'REMAIN CALM'

OPPELN, UPPER SILESIA, Oct. 15.—The inter-allied high commission today warned the populace of Upper Silesia to remain calm over the league of nations' decision establishing the future status of the province. The people were told that disorders would be suppressed by force.

SLAYER OF PRIEST SENTENCED TO LIFE IMPRISONMENT

REDWOOD CITY, Cal., Oct. 15.—William A. Hightower, convicted of the murder of Father Patrick E. Heslin, Colma priest, was sentenced to life imprisonment in San Quentin prison today by Superior Judge Buck after a motion for a new trial and for arrest of judgment had been denied.

RAIL OFFICIALS ARE ACCUSED OF 'MISREPRESENTING'

WASHINGTON, Oct. 15.—Samuel Rea, president of the Pennsylvania railway, and Daniel Willard, president of the Baltimore & Ohio, were accused today of misrepresenting railroad earnings and operating expenses to the senate interstate commerce committee by Frank J. Warne, statistician of the railroad brotherhoods.

PRESIDENT HARDING ACTS TO PREVENT RAIL STRIKE

WASHINGTON, Oct. 15.—In the face of a threatened nation-wide railroad strike called for two weeks hence, President Harding today took definite steps to break the deadlock between the railroads and their employes over the controversy of wage and rate reductions. The president summoned into conference the members of the pnblic group of the railway labor board, the wage determining body, and personally conducted them to the offices of the interstate commerce commission, the rate determining body, and after spending ten minutes with the two commissions, he left them together and walked back to the white house.

(Continued on Page 4)

AID SOCIETY MAKES PLANS

An all day meeting of the Ladies' Aid society of the Casa Verdugo Methodist church of which Mrs. John W. Cotton has just been elected president, was held Thursday at the church. Twenty-five were present at the luncheon and plans were laid for a busy year. The missionary society held their regular business meeting in the afternoon with Mrs. George Tyrrell, acting chairman, in the absence of the president, Mrs. E. O. Thayer. The missionary society will elect new officers at the next regular meeting.

NEW GLENDALE RESIDENTS

Mr. and Mrs. J. E. Hadsell and little daughter, Alva, have moved to Glendale from Hesperia and are located on South Everett street. Mrs. Hadsell is the daughter of Mr. and Mrs. Albert C. Oliver of 1104 East Broadway.

VISITOR IN LOS ANGELES

Miss Margaret Sharpe of 705 South Glendale avenue spent Friday night in Los Angeles where she was the guest of Miss Mary Wooldridge and Miss Jane Robertson at the Potter Park apartments.

BUYS HILLMAN PROPERTY

John F. McClish of 410 East Maple street, has purchased the Hillman property at 705 South Glendale avenue, through the custodian, Charles E. Eckles of Los Angeles.

Friends Meet Here for First Time In Forty-eight Years

Mr. and Mrs. George McLeod of 1345 East Colorado street entertained as their luncheon guest yesterday Dr. J. T. MacDonald of Honolulu, who was a boyhood friend of Mr. McLeod's in New Brunswick, Canada, and whom he had not seen for forty-eight years.

Dr. MacDonald is interested in the cure of leprosy and is connected with one of the hospitals at Honolulu. He has been on a leave of absence since March and his visit was especially interesting to Mr. McLeod as he had recently visited their former home in New Brunswick, Canada, and since then has made an extended trip to Europe.

Dr. MacDonald will return to San Francisco Sunday and after remaining in that city for about a month will sail for Honolulu to resume his work there.

LOCALS AND COVINA STRUGGLE TO TIE ON GRIDIRON

Neither Side Is Able to Get Score; Fred Stofft and Bob McCort Stars

Several stars were seen gleaming through the atmosphere yesterday evening when the final whistle blew, ending one of the best and hardest fought football games ever held on Moyse Field. Although neither team was able to score, both fought for the points from the beginning to the end. Covina, whom Glendale bested last year, was the opposing team in the difficult fracas.

Too much credit cannot be given Fred Stofft and Bob McCourt, who made very long gains for the home boys. Stofft's wonderful punting was a great factor in holding the Covinaites back. His kicks averaged about 35 yards, which is very good for a high school.

Glendale Takes Ball

The first quarter started with Glendale kicking off. On the first play, Covina fumbled and Chase of Glendale fell on the ball, giving the Black and Red warriors the oval on the thirty-yard line. Glendale also fumbled on its first play and Covina recovered it. By steady gains, the ball was worked by Covina to the 30-yard line, from where a place kick was attempted, but failed. From then on Glendale roused a greater fighting spirit, and held their opponents in check. The Glendale goal was in great danger in the second quarter, Covina having the ball within the five-yard line, and four chances with which to put it over, but the strong line was too much for them, and on the fourth down the ball was but three inches from the line. Stofft then punted out of danger. During the third quarter a pretty run was pulled by Stofft, which netted over twenty yards.

The third and fourth quarters were about even, punts being exchanged and many passes tried.

Out of Line-up

Due to a dislocated rib, Russell Eiffler, the star tackle, was out of the game, and Ray Goss was also out of the line-up, which made the team weaker. Had these two men been in, it might have been a different story, but they are expected to play next week at South Pasadena and the team will probably come out with the long end of the score.

The line-up:

Glendale—Ryan, R. E.; Dutcher (captain), R. T.; Bartow, R. G.; Chase, C.; Frailey, L. G.; Richardson, L. T.; Wilson, L. E.; Green, Q. B.; West, L. H.; Stofft, R. H.; McCourt, F. B.

Covina—Dudder, R. E.; McHann, R. T.; Weider, R. G.; C. Doughty (captain); DeSatke, L. G.; Hoggendyke, L. T.; Caffey, L. E.; Wheeler, L. H.; Marcy, R. H.; Meiklejhon, Q. B.; Boots, F. B.

Acacia Mothers' Club Meets With Mrs. Evans

The regular monthly meeting of the executive board of the Mothers' Club of the Acacia street school was held yesterday afternoon at 2 o'clock at the home of the secretary, Mrs. E. W. Evans, 1214 South Mariposa street, with Mrs. William Alexander presiding.

The first part of the afternoon was spent in a short business meeting. This was followed by a farewell party for Mrs. Irving Oliver, who is moving from 829 East Acacia avenue to North Jackson street. Mrs. Oliver has been a faithful worker of the Mothers' Club for a number of years. She was presented with a beautiful bouquet of dahlias from the Reichard dahlia farm on Valley View Road as a token of farewell. At the close of the afternoon delicious refreshments were served.

Those present included Mrs. Wesley Bullis, Mrs. Wilson, Mrs. F. A. Alspach, Irving Oliver, Mrs. E. S. Strong, Mrs. F. G. Hartman, Mrs. Townsend Clark, Mrs. William Alexander, Miss Mae Cornwell, Mrs. C. M. Sudlow, Mrs. Earl McLaren, Mrs. J. S. Windas, Mrs. D. B. Edwards and Mrs. E. W. Evans.

BRAND PROPERTY IS SOLD, $600 FRONT FOOT, NEW MARK

John W. Lawson Is Purchaser of Part Interest In Southwest Corner Wilson Ave.

Establishing a new high mark for Glendale business property, John W. Lawson this morning announced that he had purchased the interests of L. B. Beach and J. B. Doner in the southwest corner of Wilson avenue and Brand boulevard for a consideration equal to $600 per front foot.

This 100-foot frontage was acquired about six months ago by Mossrs. Beach, Doner and Mattison B. Jones for a consideration of $45,000, the Baldwin sisters having held it for years. Attorney Jones retains a third interest in this most valuable, unimproved corner building site. Nothing will be done, however, until the latter returns from the east, according to Mr. Lawson.

Contract Is Signed

A contract was signed yesterday with Elmer Elliott, a local contractor, for the construction of the Lawson block on the west side of Brand between Wilson and California avenues. The improvement will cost over $40,000 and will add materially to October's building total. There will be five store rooms and 16 apartments in the structure which will cover two 50-foot business lots. H. E. Betz will do the brick work.

Mr. Lawson's activities here this fall are the materialization of dreams he held for Glendale a decade ago when he was actively engaged in the real estate business in the Central building. There are few people who know property values in Glendale better than him and his every move is followed closely by others who have building sites on North Brand boulevard.

Club's Music Section Holds Open Meeting

The opening meeting of the music section of the Tuesday Afternoon Club was held yesterday afternoon at the home of the curator, Mrs. Charles L. Marlenee, 301 South Central avenue, with about sixty members and guests present.

After a short business meeting, in which Mrs. Marlenee outlined her ideas for the work of the coming year, a program was given. This included piano numbers by Miss Gertrude Champlain, "The Land of Flowers" and "Sunshine," both by Julius Kranz, formerly of Glendale. As an encore she played "Arrietta," by Gluck. Mrs. Virginia Freeman, a newcomer to Glendale, gave several splendid vocal solos, including "The Nightingale," and was accompanied at the piano by Mrs. Young.

Decorations of pink and white asters were used. The members of the section were pleased to have with them for the opening meeting, Mrs. C. E. Hutchinson, president of the Tuesday Afternoon Club. At the close of the afternoon refreshments of ice-cream and cake were served.

Intermediate School's Team Takes Contest

The Intermediate school team won the interclass volleyball game played Friday afternoon between Eagle Rock and the Intermediate school at Eagle Rock by a score of 2 to 1. The line-up was as follows:

Intermediate — Barbara Kranz, captain; Helen Podurgiel, Berenice Collins, Helen Horne, Helen Payne, Mabel Horner, Dorothy Humans, Dorothy Hertzog, Zelda Kocher, Ruth Rames, Consuela Mirano and Eleanor Kopp.

Eagle Rock—Mary Barbara Taylor, captain; Hazel Grant, Ruth Newhouse, Gene Henrys, Fyrn Liester, Edith Hikes, Mary Daecker, Ruby LeClere; Mary Stewart, Vanette Ward, Omis Danielson, Marjorie Morris, Beulah Carpenter.

The coaches, Miss Houdengal, Eagle Rock, and Miss Sharpe, Glendale, refereed.

Mrs. Alma Dutton Is Hostess to Officials

Mrs. Alma Dutton, president of N. P. Banks Relief corps, entertained at luncheon yesterday at her home, 113 East Laurel street, Mrs. Aletha Sanborn of Los Angeles, who is inspector, and Mrs. Flora Pixley, secretary; Mrs. Priscilla Houdyshel, treasurer.

In the afternoon a meeting of the corps was held at G. A. R. hall, at which time Mrs. Sanborn inspected the work of the officers and found everything in perfect condition, and complimented the officers for the manner in which the work was done. There was a large attendance at the meeting, including a number of visitors, and four new candidates were initiated. Refreshments of punch and wafers were served at the close of the meeting.

ENROLLED AT UNIVERSITY

Miss Daisy Kearne, daughter of Mr. and Mrs. Arthur Kearne of 1010 East Wilson avenue, is enrolled at the southern branch of the California university for the year.

FIRST OPPORTUNITY
Offered to Glendale People

In the subdivisions that we have handled for the past two years, over 90 per cent of the lots have been picked up by Los Angeles people, and over 50 per cent have been built on, except for a few blocks taken by local contractors. GLENDALE INVESTORS have failed to grasp the opportunity and thereby have been the losers, for our prices have gained 25 to 50 per cent in a very short time. This increase in value has been caused by the constant demand for moderate priced building lots, by the building that naturally follows, and by the improvements which we put in.

The present prices include sidewalks, curbing, and street work, but they will be raised when the work is actually in. In this way we protect the investors, and increase the value for those who have built homes.

This Is the Best Proposition We Have Ever Handled

The Location is ideal, being in the desirable and popular foothill district at Sixth and Pacific, two blocks from the car line.

The Terms are attractive for investors or moderate homeseekers.

The Restrictions demand a high class neighborhood with no temporary homes or cheap building, though they are not so high as to be prohibitive.

This Is a Very Small Tract and Will Be Sold Out Quickly

Come Sunday and Make Your Reservations!

South Front Lots, 60½x150 **North Front Lots, 50x200 to 234** **Prices, $800 and up** **Terms, $200 Cash, Balance Monthly**

CUTS ON MODERATE INCOME TAXATION BEING SOUGHT

Democratic Members Meeting In Conference to Outline Campaign In Senate

By J. BART CAMPBELL
Written for International News Service

WASHINGTON, D. C., Oct. 15.—A concerted movement to obtain a substantial reduction of the income taxes paid by persons with moderate incomes was determined upon today at a conference of the democratic members of the senate finance committee.

It was decided to press for the acceptance of the proposal of Senator Walsh, democrat of Massachusetts, for a reduction of the smaller income tax rate to 2 per cent on incomes of $5000 or less; 4 per cent on incomes from $5000 to $10,000 and 6 per cent on incomes from $10,000 to $15,000. The tax at present is 4 per cent on $4000 or less and 8 per cent above $4000.

Senator Walsh who has embodied his proposal in an amendment to the pending tax bill, said he intended to fight hard for its adoption by the senate. A number of senators on both sides are understood to favor it

Ask Other Provisions

Most democratic senators are inclined to accept the republican compromise substitute for the pending measure as they claim that its provisions originated largely on the democratic side, but they are also insistent that several other provisions, including the Walsh proposal, be adopted, too, before they are asked to vote for the revised tax legislation on its final passage.

The democratic members of the senate finance committee, who besides Senator Walsh are Senator Simmons of North Carolina, Reed of Missouri, Gerry of Rhode Island, Jones of New Mexico, and Williams of Mississippi, have formed a "bloc" of their own for the announced purpose of "taking care of the little fellow."

Senator Walsh stated, however, that he and his democratic associates were equally desirous of helping to put business and industry on their feet and to end unemployment, by the speedy enactment of sane tax and tariff legislation.

"Falling wages and increased prices are not the tonic business needs at present," Walsh said. "Unsettled prices make for unsettled business. So long as we hold in abeyance whatever tariffs and taxes business is to be burdened with, we must expect unemployment and business stagnation. We should delay no longer. Business needs today, more than anything else, the stabilizing effect of knowing exactly what tariff and tax legislation congress is going to enact into law."

MUSICAL ACT HEADS VAUDEVILLE BILL FOR GLENDALE

Saxophone Artists Will Play Classics and Jazz; Varied Program to Be Given

The Musical Shirleys, conceded to be one of the greatest saxophone acts in vaudeville, headlines the Glendale Theatre's vaudeville today. It is one of the best numbers on the Bert Levey circuit and classic as well as jazz music will feature the Shirley's program.

Yank and Jean will present unique absurdities, including a little bit of everything. They are gymnasts, comedians, singers and talkers with curious and beautiful costumes. These artists recently arrived from the Australian loop of the Levy circuit where they were a big hit.

Marie and Edwards, the fashion plates of vaudeville, are also a stellar attraction. They are presenting an act entirely new to the coast, having recently closed at the Pantages theatre in another number.

Earle Williams' Picture

Glenn and Walsh will present classy songs and patter in bits of varied vaudeville while Nancy and Jean Walters are billed as "Artists in Miniature." Earle Williams in "Bringing Him In" is the film attraction on the double bill at regular prices with the shows starting at 7 and 9 o'clock tonight.

It is stated by Manager William A. Howe that the vaudeville bills this week are only forerunners of what Bert Levy has to offer in the way of service. He is routing five new acts for each show direct from Chicago and New York while the present bills are being sent east to the Gus Sun, Shubert and Poli circuits.

Paul Carson, organist extraordinary, will accompany the vaudeville on both piano and organ. Tomorrow's feature film will be "Who Am I?" with Henry Kolker as star.

Aids War Veterans to Enter Postal Service

WASHINGTON, D. C., Oct. 15.—President Harding today took steps to make the way easier for those who served in the world war to secure appointment in the postal service. The president issued an executive order providing that five points shall be added to the earned rating of all young men and women who had war service, who are now seeking presidential postal appointments. The order also waived all age limits for these persons and permits the time they spent in service to be counted in their rating as "business experience."

Sunday Services at the Churches

CONGREGATIONAL

Central and Wilson Aves. Rev. C. M. Calderwood, pastor. Mrs. C. A. Parker, musical director. 9:45, church school, O. E. Von Oven, superintendent. 11, service of morning worship. Brand Blvd., open daily except Sunday and holidays from 12 to 5 p. m. Also every Tuesday, Thursday and Saturday evening from 7 until 9 o'clock.

CHRISTIAN AND MISSIONARY ALLIANCE

Meetings every Tuesday and Thursday, 7:30 a. m. Gospel Tabernacle, 310 E. Chestnut St., corner of Louise St. Full Gospel—Jesus Christ—Saviour, Sanctifier, Healer, Coming King.

CATHOLIC

E. Elk Ave., near Adams St. Mass at 8 a. m. Sunday school at 9 a. m. Mass at 10:30 a. m. Everybody welcome. James S. O'Neill, parish priest.

FIRST METHODIST

Corner Wilson Ave. and Kenwood St. Rev. Clyde Monroe Crist, D. D., pastor. Carl C. Seitter, A. B., director of religious education. Church school (graded) 9:30. A. W. Tower, superintendent. It is growing! Sunday is the time for the initiation of a new program. There will be a place for every member of the family. The babies will be cared for in a nicely appointed nursery. The young children will be in a kindergarten for instruction and entertainment. The children will gather in the regular church service and will hear a special sermonette by the pastor. After this they retire to the Junior league room for instruction. Rev. C. R. Norton, the founder of the local church will preach an anniversary sermon. At 7:30 the pastor's theme will be "Investing Successfully the Capital of Life." Epworth league and Intermediate league, 6:30. Brotherhood, 7:00. The following is the program of music: Morning—Organ numbers: "Berceuse" (Spinning); March (Merkel); anthem, "Sing Allelulia Forth" (Buck). Evening organ numbers: Melody in E Flat (Mozart); postlude (Whiting); gospel solo by Dr. Lucas, "Jesus Only (Excell); anthem, "Saviour When Night" (Shelly); duet, Miss Peart and Mr. Butterfield, "In the Garden" (Miles).

CENTRAL AVENUE METHODIST

Corner Palmer and Central avenue. Rev. V. Hunter Brink, D. D., pastor. Bible school at 9:30 a. m., James L. Brown, superintendent. "The School That Is Different." Special music classes for everybody. Junior league at 11 o'clock, Mrs. M. A. Hewitt, superintendent. Morning worship at 11 o'clock, Rev. Brink having returned from conference for another year, will preach on "Where to Begin." Music by the choir. Epworth league at 6:30 p. m., Mrs. Harkleroad will lead; all young people welcome. Evening service at 7:30. The pastor will preach on "The Second Mile." Special music. Everyone welcome. Wednesday evening prayer meeting at 7:30 o'clock October 19.

FIRST LUTHERAN CHURCH

Corner East Harvard and South Maryland avenue, Dr. H. C. Funk, pastor. "How to Make the World What It Ought to Be," will be the subject for the sermon at 11 o'clock. This will be the fourth address in the series of special morning sermons by the pastor. Bible school at 10 a. m., J. H. Niebank in charge. Luther league half hour devotion and vesper service at 7:30 p. m. You are cordially invited to attend. Pastor's residence, 111 East Harvard street. Phone, Glendale 1322-J.

FIRST BAPTIST CHURCH

Ernest E. Ford, pastor. Sunday school at 9:30 a. m., Roy L. Kent, superintendent. There is a class for each one and a hearty welcome. The pastor will preach at 11 o'clock from the theme, "Christ Before Bethlehem." This will be the second in the series on the "Life of Christ." At 6:30 p. m. the young people will study the topic, "Baptist Principles and Practices," led by Miss Dorothy Howard. All young people are cordially invited. The evening service will commence at 7:30 o'clock with a song service, led by the choir, after which the pastor will discuss the question, "Is Christian Science 'Another Gospel?'" On Monday night from 7.30 to 8:30 o'clock the pastor will lead a class in "Teacher Training." The course of eight lessons is open to all who desire to become more efficient in this greatest of all Christian work. On Wednesday night the mid-week meeting for prayer and praise.

GLENDALE PRESBYTERIAN

"Church of the Lighted Cross," corner Broadway and Cedar street, W. E. Edmonds, pastor; Louis Tinning, assistant pastor. The sacrament of the Lord's Supper will be observed at the morning service at 11 o'clock. The session will meet those desiring to unite with the church at 10 a. m., and all new members will be publicly received during the morning service. Evening service, organ recital at 7:15 o'clock; preaching service at 7:30 o'clock at which time the assistant pastor, Rev. Louis Tinning, will preach, using the theme, "The Foursquare Faith." Sabbath school with classes for all ages at 9:30 a. m., H. L. Finlay, superintendent. The men's Bible class meets in the city hall at the same hour. Christian Endeavor servives at 3, 6 and 6:15 o'clock, to which all are invited. Visitors welcomed at all services.

The musical program for Sunday, under the direction of Mrs. Fannie Marple Retts, with Miss Carolyn Bailey at the organ, will be as follows:

Morning—Prelude, "To the Holy City" (Gaul), anthem by the quartet, "Come, Holy Spirit, Heavenly Dove" (Emerson), Miss Pansy E. Sheldon, soprano; Mrs. Fannie Marple Retts, contralto; Will Marple, tenor; C. Clifford Riggs, baritone; offertory, "Andante" (Chopin); gospel solo, selected, Mrs. Retts; postlude, "Grand Choeur Dialogue" (Diggle).

Evening—Organ recital: (a) "Slavanic Cradle Song" (Neruda), (b) "Minuet Gothique" (Boellman), (c) "Meditation" (Massenet); quartet, "God, Be Merciful" (Wilson); violin solo, "Ave Maria" (Gounod), Miss Esther Gleiss; offertory, "Berceuse" (Delbruck); soprana solo, "How Lovely Are Thy Dwellings" (Liddle), Miss Marie O. Oliver; violin solo (by request), "The Holy City" (Adams), Miss Gleiss; quartet, "The Joy of the Harvest Day" (Musser); postlude, "Festival March" (Read).

TROPICO PRESBYTERIAN

Sunday school at 9:45 o'clock, H. E. Fry, superintendent. Church services at 11 o'clock. The morning sermon will be preached by Rev. J. G. Blue of Pasadena. Special music will be given. Christian Endeavor at 6:45 o'clock, topic, "Patriots, Past and Present," Herbert Bruck, leader. The mid-week meeting on Wednesday night will be in charge of Rev. Blue, who has been appointed our moderator.

ST. MARKS' EPISCOPAL CHURCH

Corner Louise and Harvard streets. The Rev. George H. Cornell will officiate, on Sunday, next, the twenty-first Sunday after Trinity. The Woman's auxiliary will commemorate its fiftieth anniversary. The St. Marks' branch of this world-wide society of the Episcopal church will mark the day by a corporate communion in the church. The services for the day are as follows: Church school at 9:45; address and Holy Communion at 11 a. m. A cordial invitation is extended to all.

WEST GLENDALE METHODIST

Tomorrow, both morning and evening, the newly appointed pastor, Rev. Harley K. Preston, will preach. All are cordially invited.

CASA VERDUGO METHODIST

Edward O. Thayer, D.D., pastor. Bible school at 9:45 o'clock, George M. Tyrrell, superintendent; at 11 o'clock, sermon by the pastor; at 6:30 o'clock, Epworth League; at 7:30 o'clock, sermon by the pastor.

CENTRAL CHRISTIAN CHURCH

At the corner of Louise and Colorado streets, Clifford A. Cole, minister. All services as usual tomorrow. The removal of the church building will not interfere with services in it. Bible school at 9:30 a. m. A special invitation is extended to men by our large men's Bible class. Morning worship and sermon at 10:30 o'clock. Sermon there, "Giving That Costs Something." Third session of the School of Missions at 6:30 o'clock, with classes for all. At 7:30 o'clock the minister will preach from the topic, "Let Every Man Be Slow to Speak." Two special musical numbers at both services.

NEW THOUGHT CENTER

Masonic Temple, Brand Blvd. Lecture by Dr. Frank L. Riley. Sunday school at 9:45 o'clock. Wednesday evening meeting at Mr. Carmack's corner. Welcome to all.

Government Puts Stop to Dissolution Plans

WASHINGTON, D. C., Oct. 15.—Attorney-General Daugherty has announced that the government considers it inadvisable at this time to carry out the plan of dissolution, divorcing the interests of the Reading railroad and the Philadelphia and Reading Coal & Iron company, pending a decision by the United States Supreme court, upon the appeal from the decree, entered into the anti-trust suit against the Reading company.

Locals and Personals

Rev. and Mrs. W. W. Cookman of 215 South Pacific avenue are planning to move next week into their own home at 638 North Louise street.

Mrs. E. H. Lyman of Santa Barbara has been the house guest this week of her parents, Mr. and Mrs. C. F. Parker of 221 North Central avenue.

Mr. and Mrs. John W. Cotton of 1137 San Rafael avenue had as their guest during the week Mrs. Cotton's brother-in-law, Lorenzo Judd, who was enroute from San Diego to San Francisco.

Mr. and Mrs. H. A. Kresling and their small daughter, Hope, of 706 East Elk street, motored to Redondo this week, where they were the guests of friends and relatives of the beach city.

Mrs. R. C. Olson of Los Angeles was the all-day guest yesterday of Mrs. S. C. Hamilton of 350 West Ivy street. Mr. and Mrs. Olson were the dinner guests last night at the Hamilton residence.

G. H. McMillan, formerly of Springfield, Ill., but now of Los Angeles, was a business caller in Glendale yesterday afternoon, looking over real estate with a view of purchasing a home here.

Mr. and Mrs. E. E. Dana of 1318 North Louise street have as their house guests Mrs. Dana's uncle and aunt, Mr. and Mrs. J. Fuller of Chicago. Mr. and Mrs. Fuller will remain in California for over the winter.

Mr. and Mrs. O. R. Barnett of 334 West Broadway entertained the following guests at a dinner party recently: Mr. and Mrs. Gordon of Hollywood, Dan Reed of Los Angeles and Mr. and Mrs. Harry McCartney and son Jack of Glendale.

Mr. and Mrs. E. L. Mussetter of 314 West Doran street left yesterday for their former home in Victor, Iowa, where they will look after business interests and visit relatives and friends. They will probably be gone several months, but expect to return to Glendale.

The "Bridesmaid's Committee," composed of fourteen young girls of the Congregational Sunday school who are sewing for their booth in the church Christmas bazaar, are meeting each Monday for this purpose at the home of Jean Ingram, 336 West Broadway.

Dr. Elsie Haveman and her sister, Miss Dorothy Haveman of 315 North Louise street motored over to Hollywood today, where they will spend the week-end as guests of friends. The two young women are former residents of the foothill town, where they have a host of friends.

Mr. and Mrs. Lee Humiston and son, Lee, Jr., of 128 West Palmer avenue, recently returned to their home from Bakersfield and surrounding points, where they enjoyed a few days' hunting trip. With them they brought enough ducks, rabbits and doves to keep their neighbors in meat for several days.

Mr. and Mrs. F. G. Hall of 1201 Viola street returned today from Elgin, Ill., where they have been visiting relatives and friends since August. They were accompanied by Mrs. Hall's sister, Miss Crossley of New York City. Miss Crossley will remain here for over the winter and will probably make her home in Glendale permanently.

Mr. and Mrs. Mark Lord of Seattle have been visiting friends and relatives in Pasadena and Glendale. They are relatives of Mr. and Mrs. S. C. Hamilton of 350 West Ivy street and of Dr. and Mrs. C. R. Lusby of 125 North Louise street. They made the trip by automobile. This was their first visit to Glendale and they were quite delighted with the city.

W. H. Nichols, 322 East Fairview avenue, secretary of the California State Horseshoe Pitchers' association, left this afternoon for South Park to attend the meeting of the state officials of the association to arrange the program for the state tournament which will be held here some time next month. Pasadena, Los Angeles and Long Beach will be represented at the meeting.

Mrs. Blanche Sloan, who recently moved from this city to Los Angeles to be near her small son, Bobby, who underwent a bone grafting operation at a Los Angeles hospital, was in Glendale yesterday visiting with friends and former neighbors. Mrs. Sloan has changed her plans since her last visit to this city and is now planning to remain with Los Angeles friends until next year, when she expects to return to her home in Idaho.

Further showing their support of American Legion Post No. 127, the members of the drama section of the Tuesday Afternoon club, of which Mrs. R. E. Chase is curator, have postponed their evening of three one-act plays, which was to have been given at the Glendale theatre, November 11, until November 18, so as not to conflict with any of the activities planned by the legion for Armistice week.

A. H. Patch and family of Prairie du Chien, Wis., are visiting at the home of Mr. and Mrs. P. C. Brown, Eagle Rock. Mr. Patch, who has large oil interests, is an old friend of Mr. Brown, manager of the Glendale Realty company, 131 South Brand boulevard, and is enjoying Glendale for the next few days. The city pleases him so well that he is contemplating moving here to make his home, he says.

Mr. and Mrs. H. L. Hock of 610 Orange Grove avenue are entertaining as their house guests this week Mr. and Mrs. S. Kirkpatrick, who arrived in this city Thursday morning after several weeks' tour from the east. The Hocks and Kirkpatricks are former neighbors of Clarion, Ia., which is the latter's present home. Both Mr. and Mrs. Kirkpatrick have fallen in love with Glendale and Southern California in general, and are talking of permanently locating here.

Locals and Personals

Homer Lockwood of 325 West Lomita avenue will leave Monday on a week's business trip to Pomona.

Chapter AH, P. E. O., will meet Tuesday at the home of Mrs. W. C. Wattles, 1218 South Glendale avenue.

Mrs. D. C. Lindley of 362 West Lomita avenue had as dinner guests Wednesday evening Mr. and Mrs. Laurence De Laurentis and their little daughter of 421 West Lexington drive.

Rev. W. W. Cookman, who is retiring from the ministry of the West Glendale Methodist church, expects to move next Thursday from the parsonage to his new home at 638 North Louise street.

Mr. and Mrs. W. H. Nisbet, 338 Hawthorne street, are now spending a week at Lompoc, Santa Barbara county, visiting their son, Wayne C. Nisbet, and accompanied by their daughter, Miss Mabel Nisbet.

The home belonging to George W. Smith on the southwest corner of Wilson avenue and Brand boulevard today is being prepared for its removal by Contractor C. W. Sitton to its new resting place, 939 East Lexington drive.

The usual weekly students' recital will be given tonight at the Dramatic Arts Studio, 101 North Cedar street with Miss Edith McIntyre, 129 South Cedar, as hostess. The program to be given next Thursday afternoon before the Parent-Teachers' association will be rehearsed.

Mr. and Mrs. J. H. Gewinner of 1134 North Campbell street have just returned from a month's trip in the east. They visited in San Francisco, Kansas City, St. Louis, Chicago, New York and Boston. Although they had a delightful trip they were happy to return to Glendale.

Mr. and Mrs. O. A. Kelley of Portland, Oregon, were callers yesterday at the Circle Real Estate office, 120 North Brand boulevard, to see about purchasing real estate here. Mr. Kelly is well impressed with Glendale and says that he will locate in business here if he can find suitable property.

Dr. and Mrs. T. C. Young of 400 North Kenwood street are entertaining as their dinner guests this evening Mr. and Mrs. Harry Hall, Miss Margaret Cross and Mr. and Mrs. A. L. Baird. Dr. Young will leave Glendale October 25 on a business and pleasure trip to Iowa, where he will visit his former home.

James W. Pearson has moved his real estate and insurance office from 128 North Brand boulevard to 108 North Brand boulevard in room 107 of the Los Angeles Trust & Savings bank building. The moving has been completed and the office is now ready to carry on its business in large and convenient quarters.

Trails around the West Fork Canyon are being warmed this afternoon by Ralph W. Hassel, the handy typewriter fixer, 107 West Broadway, who left at noon for a hike to Pine Flats with a group of ambitious outing-flannel enthusiasts from the Corona Pacific Typewriter company of Los Angeles. They expect to return some time Monday.

J. M. Lang, proprietor of Lang's Pharmacy, 129 South Central avenue, returned last night from a three-day trip to San Diego. He was accompanied by his uncle and aunt, Mr. and Mrs. J. Ernest Higson, who are visiting him from Denver. He reports a very pleasant time and believes that San Diego bay has a more even temperature than Los Angeles county.

Mr. and Mrs. F. S. Card of 319 Patterson, who have had as their guests for the week Mr. and Mrs. R. G. Vertner of San Francisco, are entertaining informally at cards this evening in their honor. Mr. and Mrs. Vertner are also celebrating their fifteenth wedding anniversary today. There will be about twenty guests present, and after an evening of cards a light lunch will be served.

The regular meeting of Glen Eyrie Chapter, Order of the Eastern Star, was held last night in the Masonic Temple. Three candidates were initiated into the order. Pearl Chambers, Capitolla Butterfield and Ethel Dennis. Mrs. Erma Martinez was admitted by affiliation. There were about 150 members present. After the business meeting refreshments of ice cream and cake were served in the banquet room.

Mr. and Mrs. J. Dutton of 113 West Los Feliz road left recently by automobile for Santa Cruz, where they will attend the Odd Fellows' convention. From Santa Cruz they will go to San Francisco. The return trip will be made by the inland route. They will stop off at Springville where they will spend a week visiting their son, Kingsley Dutton, who is chief of the Edison power plant at that place.

William Wycoff, Miss Alice Watson and Robert N. Taylor of Glendale and Osmar Hale and Mr. and Mrs. Packard of Los Angeles returned yesterday, by automobile, from Oakland, where they had been attending the grand lodge meeting of the state of California of the I. O. G. T. Mr. Taylor was elected grand sentinel of the state of California for the Independent Order of Good Templars and was also appointed a member of the corporative board.

Thieves displayed a case of temperament or else needed only hinges and a shellac brush, last night, when the store building of W. C. Winkler, 122 North Brand boulevard, was entered and a number of hinges and a brush were taken. About $100 worth of tools of the Acme Construction company, Los Angeles, failed to attract the notice of the burglars. The store building is being remodeled for a line of Buster Brown shoes which will be installed some time next week.

Lessons From Life

A man of long and wide business experience said the other day: "I can name case after case of business men who early in life have achieved notable success, and yet, who at a later period, have come to grief. In their earlier careers they passed successfully through times which tried men's souls; but later on they seemed to undergo an impairment of business judgment. Their intellectual processes had seemed to deteriorate. Their shrewd business acumen and courage had degenerated into rashness. And then the smash came. Not necessarily bankruptcy; in fact it was remarkable in how many cases their retirement had been unaccompanied by publicity. They had sold out for a few hundreds, a business which had been worth thousands." Is there any lesson in this for you?

W. B. KIRK
Protector of Homes

Locals and Personals

Mrs. C. C. Cravath of Laguna Beach will be the week-end guest of Mr. and Mrs. J. P. Fanset of 1006 East Harvard street.

Joe Bruger of Santa Susanna will be host tomorrow at a barbecue to a number of the members of Glendale lodge of Elks No. 1289.

Mr. and Mrs. W. S. Gamble of 125 West Los Feliz road have as their week-end guests, Mr. and Mrs. Geo. C. Moore and little son Frank of Santa Monica.

Mrs. D. C. Lindley entertained at luncheon Friday for Mrs. Henry Wilckins and Mrs. Bertha Metcalf of Los Angeles and Mrs. Frederick Jr., and her little daughter of Pasadena.

W. D. Root, an instructor at Jefferson high school, Los Angeles, who resides here, at 110 Olive street, will attend a banquet of the Schoolmasters' club at the Boyle Heights intermediate school tonight. Mrs. Susan Dorsey, superintendent of the city schools, and her staff will be the guests of honor.

Mrs. W. F. Woods of 1470 East Wilson avenue was dinner hostess last night to the members of the G. G. class of girls of the First Baptist Sunday school, of which she is teacher. The dinner followed a short business meeting and the remainder of the evening was given over to work for Christmas.

Auto Trades Official Gives Dealers Warning

"Do the right thing at the right time all the time and if you do that in your business there will be no hard times because you will make your business."

This statement was made this week in the presence of several Glendale auto dealers by Robert W. Martland, secretary of the California Auto Trades association. He called attention to the fact that the recent depression is the first sustained by the automotive industry since its incipiency but probably would not be the last.

Auto dealers were cautioned upon the seriousness of the growth of the Farm Bureau exchange in the northern part of the state by Mr. Martland. He said that this organization had not caused serious inroads into retail business yet but might do so if not checked as the new organization admitted that it intended to send away for important purchases and buy only unprofitable minor items from the merchants of the community.

"If a farmer buys elsewhere, he might just as well have moved away as far as the local dealer is concerned," said Mr. Martland.

Fundamentally the co-operative buying idea is wrong according to Mr. Martland. He said that the great danger was that the manufacturers now distributing through co-operative societies would soon become powerful enough to build outlet stores in each community which would eliminate the present retail system and its accompanying invigorating competition.

"It is foolish to say that the Farm Bureau exchange can't do what they have started," said Mr. Martland, "because its members are clearly within their rights. We do say, however, that fundamentally, they are wrong. We hope to kill the idea by popular sentiment."

10-Room Duplex House for C. S. Bottsford

Contractors May & Hellman, 205 East Broadway, announce a contract that has just been let to them by C. S. Bottsford, 411 South Central avenue, who will build a ten-room duplex house. The house will be of stucco, with hardwood floors, gas mantles and woodstone floors in the bath rooms.

The cost will be about $6,000. Work will be started immediately by May & Hellman.

The people who are weighed in the balance and found wanting always blame it on the scales.

Dolberg Studio to Be Opened Next Monday; Work Very Artistic

The Dolberg Studio, 206 West Broadway, will be opened Monday, stated the proprietor, Glenn R. Dolberg today. The studio is very artistically arranged with elaborate interior decorations and an excellent window display of photos.

Mr. Dolberg is an artist in the line of photography, having had much experience in Minneapolis after which he was engaged for two years in the business in San Diego.

"We have installed the very best of equipment," he stated, "and in addition to being able to produce photos chemically and technically perfect, we study the individual and produce along with the likeness that life and expression known as personality.

"We take pleasure in making any special design or finish for the particular person, and it is our pleasure to be consulted at any time on any particular line of photography desired.

"The 'Ultra Blue' light is a part of our equipment, which gives a soft, yet brilliant effect, and is much better than depending on daylight which is so changeable."

Many pleasing comments were made by visitors today who were attracted and impressed by the very artistic arrangement of the studio.

Mrs. A. A. MacIntyre Bridge Party Hostess

Mrs. A. A. MacIntyre of 306 North Central avenue entertained at a bridge party Thursday afternoon. The guests included Mrs. John Robert White, Mrs. C. C. Cooper, Mrs. Helen Campbell, Miss Annie MacIntyre, Mrs. Charles Parker, Mrs. Charles Meadows, Mrs. Frank George, Mrs. W. W. Walker, Mrs. V. M. Tresslar, Mrs. A. H. Montgomery, Mrs. S. B. Morse, Mrs. F. C. Armour, Mrs. C. H. Pendleton, Mrs. Pratt, Mrs. King, Mrs. C. D. Miller, Mrs. Heloise Bondaux and the hostess, Mrs. MacIntyre. The decorations were of beautiful large dahlias, which had been presented to little Gabrielle Bondaux, granddaughter of the hostess, by Mrs. C. E. Norton. First prize at bridge was awarded Mrs. A. H. Montgomery. During the afternoon refreshments were served.

Mrs. L. E. Starkey Is Hostess to Bride-elect

Mrs. L. E. Starkey of 240 South Cedar street entertained with a towel shower Wednesday afternoon in honor of her sister, Miss Marion Addison, who is soon to become the bride of Joseph Mackinzie Cates of Eagle Rock. The house was decorated in pink and white dahlias. In the center of the dining table was a kewpie dressed as a bride. Streamers of white hung from the chandelier to the table.

An array of beautiful towels were presented in a large clothes basket to the bride-to-be. The refreshments were also carried out in the color scheme of pink and white. A social afternoon was enjoyed by the guests present, during which Mrs. William Knox gave several readings.

The United States Pharmacopoeia is being translated into the Chinese language, and it is believed that through the adoption of American standard formulas for medicines and drugs the American drug trade will benefit largely.

Broadway Shoe Store Sale Closes Tonight

Tonight at 10 o'clock the doors will close at the Broadway Shoe store, 312 East Broadway, marking the culmination of the greatest week's sale in the history of Glendale, it is believed. Unprecedented results were obtained by the remarkable slash in prices effected for Baines & Ecklebarger by the Pacific Sales company and this afternoon and evening gives everyone ample opportunity to get bargains in footwear.

All morning the crowds were cleaning out one line of popular shoes after another and within a few days the Broadway Shoe store will be back to normal with cash in hand for more stock.

LEAVE AFTER VISIT HERE

Mr. and Mrs. F. B. Walker, who have been enjoying a visit with a cousin, Mrs. H. M. Barber of 205 West Lomita avenue, left Friday morning for their home at "The Willows," a very attractive summer resort in the mountains, located at Alpine, thirty-three miles out from San Diego.

Fred B. Pinkus Now on Ford Agency Sale Force

"The Goblins'll get you if you don't watch out" may have lost its terror, but Fred B. Pinkus surely will get you if you don't watch out. He has come over to Glendale from La Crescenta to enter the sales department of the Ford agency. Hs friends are taking to the hills for fear he will sell them more than one Ford at a time.

LEAGUE ELECTS OFFICERS

The Epworth league of the Casa Verdugo Methodist Episcopal church has elected officers for the coming year as follows: C. Gaddis, president; Margaret Taylor, first vice president; Dorothy Cotton, second vice president; Lulu Drake, third vice president; Amy Gaddis, fourth vice president; Alice Green, secretary; Gladys Hollingsworth, treasurer.

The islet of Rockall is an isolated pinnacle of rock, seventy-five feet high, lying 260 miles west of the Hebrides in the Atlantic ocean. Only six landings on this rock are recorded. The last was made recently by Dr. J. Charcot, the French explorer, who collected geological specimens on the isle.

NASH FOUR PRICE DROPS TODAY TO $1265

Production Reaches Such Volume That Great Economy Is Effected

A reduction in the price of the Nash Four to $1265, effective immediately, together with the many new features of the car, will make it one of the most popular selling cars on the market, states E. B. Sutton, the Glendale Nash Sales agency, 207 North Brand boulevard. This announcement will come as good news to the many prospective buyers of the popular Nash.

The reason for the reduction as pointed out by Mr. Sutton is that production has reached such a volume the company now is able to deliver the car to the purchaser practically at cost.

Attractive features of the Nash Four include a beautiful body finish in dark lustrous blue, and having plenty of room and excellent upholstering. The famous Nash valve-in-head, four cylinder motor is another distinct feature that is attractive to buyers. The motor has been finished to the last degree, states the local agency, and this, together with the spring suspension, giving the car unusual ease in riding, makes it a car that is in brisk demand by those who want both and a pleasure and a practical car.

The Glendale Nash Sales starts a great sale of used cars today, the line including besides the Nash, Velies, Clevelands, Chevrolets, Oaklands and Studebakers.

Glendale Women Guests at Reception, Musicale

Mrs. Ella W. Richardson of 315 North Brand boulevard, Miss Esther Crandall and Miss Jeannette Abel of the art department at the high school, Mr. and Mrs. Robert Russell and W. J. McCluskey of Verdugo Woodlands were guests at a reception and musicale given at Castle Sans Souce, the beautiful Hollywood home of Dr. and Mrs. A. G. Castles, which is a place of renown among artists of note, who appear there before taking part in any programs at clubs, etc.

The guest of honor was Dr. Alaxis Karl, a Russian, and a noted pianist. The program included numbers by Cherniavsky, the pianist and violinist, splendid piano selections by Carrie Donallson Kaft, and others. Other especially wonderful selections were given by Ruth Wilson, an eleven-year-old girl violinist who wove a spell over the guests with her wonderful music, and some very unusual readings by Mrs. Hallie Hudson Fisher.

The rooms of the Castles home are lined with some very beautiful pictures. Among the collection is a life size picture of Dr. Castles in Knight Templar uniform, painted by Mr. McCluskey of Glendale.

Olga Steeb to Appear Before Tuesday Club

Olga Steeb is coming to Glendale. The Tuesday Afternoon Club is to have the privilege of listening to this world-renowned pianist upon the noted Knabe Ampico within the next thirty days as a compliment from the Barnes-Shuck Music company, 211 North Brand boulevard, and music lovers of the city are quite elated over the news.

"Glendale is fast becoming a music center," declared Al Barnes this morning. "Olga Steeb is recognized as one of the finest pianists in the world. Her coming here is of great importance."

Circle Real Estate Co. Sign Is Now Finished

"There's no beginning or end to the circle," said A.H. Barnes of the Circle Real Estate company, 120 North Brand boulevard today." We don't know just when we had our circle sign started on the window. It was over a month ago, and so busy have been the sign men in the city that it is hardly finished yet. We are hoping the circle gets completed today."

At about 11 o'clock this forenoon the hope was realized when the large circle sign in the window was given the finishing touches.

THAT'S ALL

Boost for Boy Scouts
World Not at an End
Read Automobile Ads
Stroll Around Town

By Gil A. Cowan

BOY SCOUTS, the Y. M. C. A., and similar organizations solve the problem of how to occupy the time of our youth, Chief of Police Allen O. Martin told me yesterday in discussing how crime among veritable children was reported daily in Glendale.

Two score or more boys are under surveillance of police or probation officers, the chief continued. Indeed, it is surprising what a large number get into difficulties because they have "time to kill" and no place to go.

Young people cannot be "driven" any place, but they can be lured into good or evil ways, depending on the interests looking after their entertainment. Outside of the local theatres there is practically no place for wholesome entertainment, night after night and day after day.

The Boy Scouts are organized and doing a good work, the library is open to those inclined to reading, the majority of homes offer some inducement for the growing boys and girls to "stay straight" in police parlance.

But how about the young people who do not quite fit into these situations? Some homes here are merely garages. Other homes are so tidy that it wouldn't do to have a happy group ruffling the rugs, etc.

It is Chief Martin's belief that "something better" to do would keep the boys off the streets and out of trouble. That is why he is for the Boy Scout movement and believes in such organizations as the Y. M. C. A.

Continuous blast of a whistle last night disturbed the populace to such an extent that hundreds of phone calls for information were received at The Glendale Evening News office. "Is the world coming to an end?" "What warning is the whistle?" "Is a train wrecked?" and "What's the whistle?" were among the many questions asked.

It seems that train No. 108 blew out its whistle this side of Burbank while proceeding toward Los Angeles and all the crew could do was "let it blow." That was the reason for the disturbance.

Automobiles each Saturday take prominence in the advertising columns of The Glendale Evening News. Indeed, it is very logical to suspect that the majority of people will consider the dealers' appeal while motoring over the week-end.

Where else in the world are highways and boulevards comparable to the network which entwines southern California communities? Where else are weather conditions so favorable to the all year round enjoyment of a machine, be it a "flivver" or otherwise?

Here in the land of the sunset where the world plays there is no better investment for sheer enjoyment than a motor car. It gives the whole family the highest percentage of pleasure to be found for the money.

You will do well to read the automobile advertisements whether you own one or not. They bring to you the latest ideas in motordom.

Sunday afternoon will afford the commuters who claim Glendale as their home the opportunity of seeing the great amount of construction work now under way. Take a stroll around the quiet streets and see where the hammer and saw on other days of the week are building a city destined to be one of the biggest in southern California.

Glendale is fast approaching Pasadena and Long Beach will have to hurry to keep ahead in either the amount of building or number of residents. Santa Ana, San Bernardino, Pomona and other older communities already have been left looking on in amazement while a mere village at the opening of the twentieth century has made its mark in the world.

A three-day celebration of Cabrillo day is now under way at San Pedro. Colorful pageants on "open house" by the Pacific fleet are the principal attractions. Orators, band music and other entertainment will be provided.

Evidence of Former Deaths Admitted In Mrs. Southard Trial

TWIN FALLS, Idaho, Oct. 15.—Evidence concerning the manner in which three former husbands of Mrs. Lyda Southard, alleged woman "bluebeard" on trial for the murder of her fourth husband, Edw. F. Meyer, met their death, may be admitted in the present trial, the court ruled. The ruling, made after a vigorous fight by the defense to exclude this evidence, was a severe blow to Mrs. Southard and her attorneys.

With the conclusion of its testimony pertaining to the death of Meyer, the state offered in evidence copies of the licenses for the marriage of Mrs. Southard to Robert Dooley, her first husband; Gordon McHaffie, her second husband, and Harlan C. Leads, her third husband. Prosecuting Attorney Stephan then renewed his petition that evidence as to the cause of death in these cases be admitted and the court overruled the objections of the defense.

It is the contention of the state that all of the four former husbands of Mrs. Southard met their death by arsenic poisoning. Collection of life insurance is declared by the state to have been the motive for the alleged slayings.

There is such a thing as traveling so fast that you never arrive, but it's hard to convince some automobilists of it.

NATIONAL OFFICERS MEET HERE WITH WAR MOTHERS

Prominent Women Present at Patriotic Gathering In Mrs. Dick's Home

(Continued on Page 4)

whose patriotism and love for the boys, she said, has been proven to be as ardent today as at any time during the war. Mrs. Digney humorously stated that, until she recently left New York on this present western tour, she shared the impression of many others, that all good things came from the Empire state, but that she had been enchanted by the revelations of California, and that she was going home very humble. She made a strong appeal for the needy among the boys.

Officer from Indiana

Mrs. Elizabeth Carr of Indianapolis, State War Mother of Indiana, was introduced, and in a brief address told of her love for the boys, and how she had, without regret, neglected her other work to be with the War Mothers, and how the work had so gripped her life as to make her love every War Mother more. She said she knew of many cases of suffering among the boys whose conditions were very near hopeless and cruelly pitiful, as many of them have no home and apparently no one to care. One fine boy had told her he was so disappointed on his return home from the trenches to find that greed had such a hold on the American people in place of the ideals for which they had fought.

Mrs. Anna M. Armel of Joplin, Mo., State War Mother of Missouri, briefly told how successfully the vocational schools are helping the boys. She urged all War Mothers everywhere to affiliate at once with their local chapter, and together, to work and vote for the bonus the boys so much deserve.

Sixty Adopted Boys

Mrs. Daisy Barr of Indianapolis, Evangelist War Mother of Indiana, was introduced and literally electrified the meeting with an address seldom equaled in sincerity. She told of her sixty adopted boys, some of whom at times had been helpless; of how she provided for them and gave them as best she could a real mother's love and care. She told of one of these boys, who had been discarded by his own people because of his connection with the stage—she adopted him and cared for him for a time; how on last Sunday while attending a church service in Los Angeles she was surprised to hear this young man's voice offering a prayer in the meeting. She told of how she surprised him the next day at his desk, and how happy he was to see his "Mother," and how they both, together with his employer, wept for joy at the happy meeting.

At the close of this incident every mother present was wiping the tears from her eyes. Mrs. Barr said that congress had not yet realized the true condition of these boys, none of whom are the same as they were before they entered the service. It is her one great hope, however, that congress will yet be made to realize their just need and that they will not hesitate to enact such laws as will, in part, repay the debt the nation owes them.

National Treasurer

Mrs. Albert E. Jones of Lisbon, North Dakota, national treasurer of the War Mothers, gave an earnest explanation of the necessity for the work in which the War Mothers are engaged, and urged the Glendale mothers to not allow their candles to go out by night. Mrs. Jones is the only national officer that was re-elected at the last convention.

Mrs. Thomas Spence and Mrs. A. F. Sperling of Wisconsin told of the War Mothers' work in Milwaukee—of the hospital for mental patients, and of much other practical relief extended to the boys. Mrs. Spence stated that there are six hundred Gold-Star mothers in Milwaukee county.

Mrs. W. G. Barnes, War Mother of Kansas City, extended an invitation to all present to attend the next national convention, which will meet in her city in 1923.

Two Gold-Star Mothers of Los Angeles, Mrs. Sue Reynolds, a sister of Governor Stephens, and Mrs. Anna B. McKee, were present. Mrs. Reynolds told just what it really means to have been made a Gold-Star Mother; of how she loved her dear boy, but how proud she is of his record, and how precious is the sweet memory that will ever linger in her heart. Mrs. McKee then read that sweet poem "The Gold Star on My Breast." Such an expression of unselfish sacrifice and resignation as is thus exemplified in the lvies of these two Gold-Star Mothers is pathetically beautiful.

Out-of-town Guests

In addition to the above mentioned women, the following out-of-town War Mothers were present:

Mrs. Ida E. Stock, Canton, Ohio.
Mrs. E. T. Frock, Colorado Springs, Colo.
Mrs. M. Shier, Auditor Chicago Heights Chapter.
Mrs. C. J. Osborne, Whittier, Calif.
Mrs. Mary B. Dudley, President Los Angeles Chapter.
Mrs. Sherwood, Los Angeles.
Mrs. Maude Barrett, Chairman Relief, Los Angeles.
Mrs. Amy LaVallette, Los Angeles.
Mrs. Davis MacKay, Los Angeles.

The following Mothers were added to the roll of the local chapter:

Mrs. J. S. Whitney.
Mrs. H. L. Hock.
Mrs. J. F. Chandler.

After adjournment an abundance of dainty refreshments was served by the hostess, Mrs. Samuel Dick.

New Lumber Yard Established Here by E. F. Heisser

E. F. Heisser, who has recently come to Glendale from Washington, today announces the establishment of two lumber yards in the San Fernando valley, one to be located at Marian and the other at Doran street and San Fernando Road, Glendale.

The site for the ward here was purchased through the H. J. Vandenhoff agency, 205 North Brand boulevard, and Mr. Heisser has moved his family into th eresidence at 1119 North Louise street. It is his plan to incorporate the local lumber company for $100,000.

Already Mr. Heisser has stock enroute and he expects to have office buildings constructed and be open for business by the first of November if not sooner.

If you want to sell your vacant lots, list them with Lee & Guy Thomas, 314 S. Brand. Open evenings.—Advertisement.

WOOD TAKES OATH OF PHILIPPINE GOVERNOR GENERAL

MANILA, P. I., Oct. 15.—Major General Leonard Wood, in the presence of 35,000 persons, this afternoon took the oath of governor general of the Philippine Islands.

CITY OF CHICAGO LOSES SUIT AGAINST THE TRIBUNE

CHICAGO, Oct. 15.—The city of Chicago today lost its $10,000,000 libed suit against the Chicago Tribune when Judge Harry Fisher, in the superior court, handed down a ruling virtually holding that the city's government cannot be libeled. Judge Fisher sustained a demurrer filed by the Tribune.

JAPAN MAY ASK U. S. TO MEDIATE SHANTUNG QUESTION

TOKYO, Oct. 15.—A formal request from Japan to President Harding to mediate the Shantung question between Japan and China would not be a surprising development of the coming week. The opinion in well informed circles here seems certain that such a step will be taken should China refuse a second offer from Japan to negotiate for a settlement of the issue.

ESSAY CONTEST FOR SCHOOL CHILDREN TO AID SAFETY

Trip to Washington Will Be Awarded Winner; Teachers, Too, In Competition

More than 200,000 school children are to have a chance to help make Southern California the safest territory in America for motoring, according to an announcement just made by the Automobile Club of Southern California.

All children in school under the age of 14 are to be given an opportunity to get a trip to the nation's capital at Washington and also to aid in the prevention of accidents by writing essays on "How I Can Make the Highways More Safe."

All grammar school teachers in this locality will also be called upon to engage in a safety contest with a reward of $500 and a trip to Washington, with all expenses paid, for the purpose of preventing accidents in this country.

Both contests, according to Automobile club officials, are to be conducted by the highway and highway transport education committee in Washington, with representatives in this section.

Additional Details

Any grammar schcool pupil 14 years old or under may compete in writing an essay, about 500 words in length, telling about traffic rules, how to cross streets, why children should not play in the road, or any other means that will make the highways more safe. Illustrations are to be provided by the pupils. All essays must be handed to the school principal on or before December 10, and it is suggested by Auto club officials that work on the essays begin at once.

In the case of teachers, bulletins will be received from Washington as to the conduct of the contest which may take the form of a lecture, recitation, game or drama in presenting the safety subject to pupils.

Full information on these contests may be obtained from the Automobile Club of Southern California.

Island Chief Says Studebaker Light 6 Climbs Like a Goat

Catalina Island has never been seriously considered as a place for motor touring, but there are more than 125 miles of roads there, including the streets of Avalon.

Over these roads trips are made with frequency by officials looking after the interests of the Wrigley company who now owns the sea girt domain.

For many years sightseers were driven from Avalon to the isthmus by six-horse stages which were a relic of the olden days in California. Nowadays there are several motor cars used for transportation and the newest ones that have been added are light Six Studebakers.

According to D. M. Renton, manager of the island interests for the Wrigley interests, these cars have far outperformed the ones used previously and get about over the steep grades with as great agility as the well known goats of Catalina.

Some one started the story recently that an epidemic had affected the wild goats of the island and that those who came near the roads over the hills were either quite sick or dead, but that farther inland where the goats could not see the roads they were still enjoying the best of health. When S. C. Packer, local Studebaker distributor heard the tale he gave it as his opinion that the goats were probably dying of envy after watching the Studebakers get up the steep grades, as goats have always been considered champion climbers of mountain crags.

Renton's report of the satisfactory performance of the light sixth gives more or less support to the theory of Packer but some conservative persons who have heard the theory insist on the evidence developed by an autopsy and a coroner's jury before admitting that anything like envy or jealousy could kill a goat.

Quick Action on Ford; Price Is Made 'Right'

"In again, out again, gone again," is the record of a second-hand Ford through Jack's Auto Repair station, 335 South Brand boulevard. It went out to its new owner yesterday after remaining there only two days. Proprietor J. V. St. Clair says that it stayed just long enough to be given a first-class overhauling.

"No wonder it went quick!" exclaimed Mr. St. Clair. "Look at the price marked on it."

The marker said "$125," and it was a fair looking 1914 touring car, too.

Outdoor Display Room Used for Hudson Autos

An outdoor display room for second-hand cars is being used by the Glendale-Hudson Motor Car company, 230 North Brand boulevard. It is located on the southeast corner of Harvard street and Brand boulevard and is in charge of A. H. Ross. After a thorough overhauling, which is guaranteed, the cars will be driven there each morning and returned to the garage each evening until sold.

Operators of motor buses in London receive a bonus for avoiding accidents.

GLENDALE NASH SALES

107 North Brand Boulevard Phone Glendale 1678 Glendale, California

Mrs. Emma Roach's New Buick Car Is Attractive, Unique

"Without doubt this is one of the classiest Buicks that has ever been delivered," declared Ray Calvin of Tanner & Hall, Ltd., 237 South Brand boulevard, yesterday afternoon, indicating a new car which he was about to turn over to its new owner.

It was a combination sedan and touring car, a California top, has sliding glass panels which pull forward along the sides of the car from the permanent glass back. Storm curtains with celluloid windows pull down on each side of the front seat. The interior may be completely enclosed when desired. The transformation from the open to the closed car can be effected in about two minutes—no, about six seconds.

The bright blue Tuarc disc wheels against the black rims and the black body of the car give it a flash of color when in motion. The wheels are equipped with Goodyear cord tires.

After a thorough shopping tour along automobile row, Mrs. Emma Roach, 704 South Central avenue, Eagle Rock, decided upon the purchase of this car. When it was delivered to her she was more pleased than ever. It is quite likely that she will not be home tomorrow.

Automobiles decorated for the purpose of advertising are forbidden on the streets of Cleveland, O.

CHINA SOLVES QUESTION

The Health Precautionary association of Shanghai, China, an organization composed of leading citizens, suggested that because all motor cars have rubber tired wheels and run without noise, the vehicle should carry a very small bell attached to one of the front wheels and this bell should be kept ringing all the time, so that when pedestrians hear it they can get out of the way.

Ten tons is the maximum weight for motor trucks on highways in Ohio.

AND THEN HANG DRIVER

One of the first laws to regulate motor vehicle traffic in Kansas, enacted in 1903, was the equipment of not less than ten nor more than twenty ropes to, at all times, trail behind the car when in motion. The purpose of the trailing ropes was for the safety of "mangled and bleeding pedestrians."

The amount of $115,645,759 was collected by the federal government during the last fiscal year in internal revenue on motor vehicles, tires, parts and accessories.

Buick VALVE-IN-HEAD means more power for less gasoline.

Unceasing experimental work extending over a period of twenty years is behind the present Buick VALVE-IN-HEAD motor.

The "L" head motor has 15% more water jacketed space, and the "T" head type of motor has 20% more water jacketed space, which means 15% loss of heat in the "L" head and 20% loss in the "T" head type of motors.

The Buick Motor Company has told the story of Buick VALVE-IN-HEAD motor in their booklet, "Valve-in-Head Buick an Accomplishment of Twenty Years."

Call or write for a copy of this valuable treatise.

CLEAN GARAGE AND SERVICE ASSURE GOOD BUSINESS

Automobile Trade Body Does Missionary Work to Help Dealers Into Success

"When you travel through California and need motor supplies, you look for the best garages and service stations, those that are clean and attractive," says R. W. Battell, secretary of the San Gabriel Automobile Trade association.

"The same rule holds true of any other line of business. You like to go to the clean stores wherever you are. It is human nature.

"The California Automobile Trade association, which is now seven years old, has done an enormous amount of work in trying to show the men engaged in the automotive industry how to conduct their places of business.

"This association, of which Bob Martland is manager, is made up of nearly 3500 garage men, repair men, tire dealers, motor car merchants and others in the automotive industry throughout the state of California. Each county has a local unit, and all are affiliated with the state body.

"That the association is a success is proved by the well-known wheel and radiator insignia. Eighteen state organizations are now using this as the sign of the square deal to the motorist.

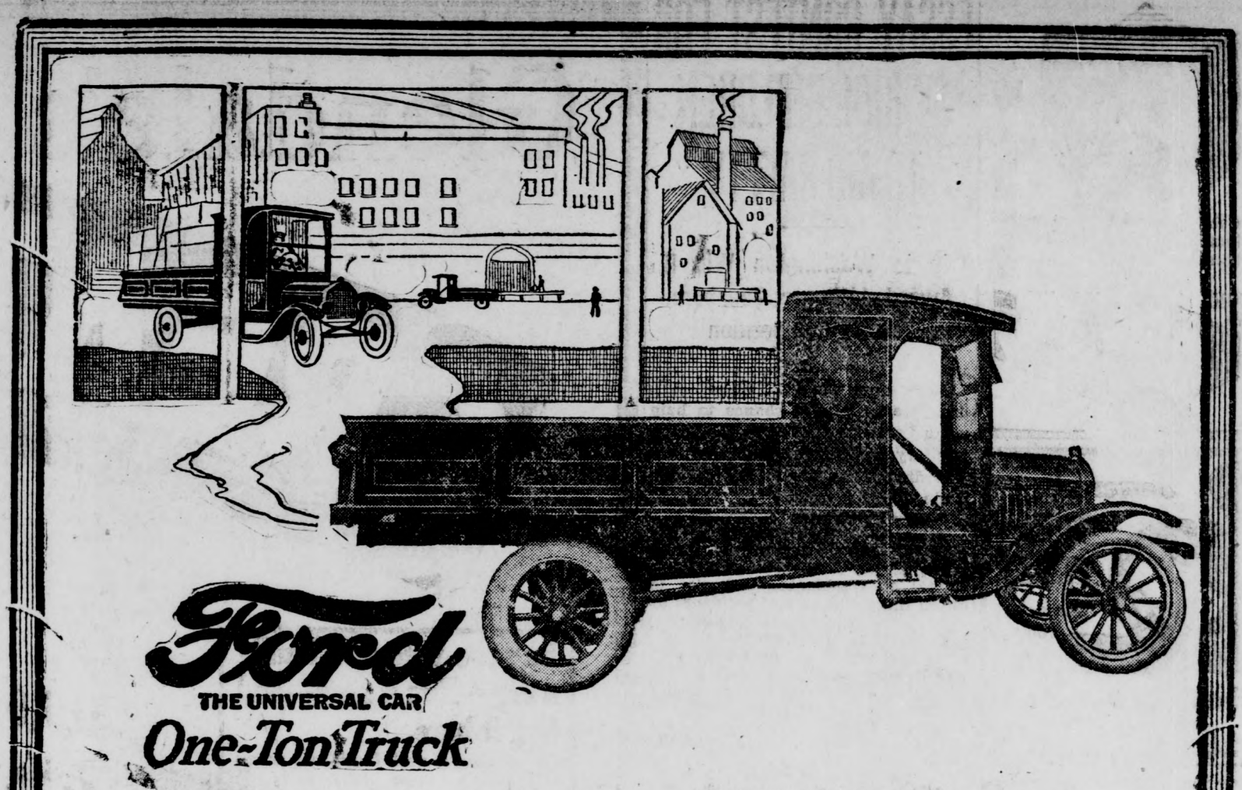
"Their slogan is 'clean and attractive places of business' and the organization is showing its members how to maintain their salesrooms and service stations in the proper manner.

Clean and Better Service

"Eastern motor car experts have declared that California has more clean places of business than any other state in the Union, and that these places render better service than any other.

"An example to prove the value of clean places of business was cited by Martland, after a recent trip through the south, which proves that the dealer makes more money and the public gets better service.

"A garage man had a dirty place, with his accessories locked up so that no one could see them. He attended a meeting of the association, learned his lesson, and cleaned up his place. In a year he had tripled his trade."



Rear Axle Showing Worm Drive

We are prepared to furnish special truck worms and gears of 5 1-6 to 1 ratio which will increase the ordinary driving speed of the Ford One-Ton Truck from five to seven miles per hour, without increasing the speed of the motor. These gears will be supplied by us at standard Ford prices.

A Business Builder

The Ford One-Ton Truck first made its appeal to the Business Man because of the merits of the original Ford car; and it made its wonderful reputation and sales record because it lived up to every claim made for it.

The wonderful Ford Motor, the Vanadium Steel Chassis, the Manganese bronze worm-drive all combine to produce a truck that serves satisfactorily every line of business, large and small—that lasts in service with a very small operative and upkeep expense.

Hence the demand for the Ford One-Ton Truck is constantly on the increase.

Let us show you how a Ford One-Ton Truck will benefit your business.

Safety Suggestions for Motorists Given Out by Auto Club

Ten new safety suggestions for motorists have been issued by the safety bureau of the Automobile Club of Southern California.

These follow the first ten issued at the beginning of the safety campaign a short time ago by the club. Read these carefully, Mr. Motorist, and see if you are following all of them:

1. On approaching a grade crossing shift into second gear, this will eliminate stalling car on the crossing.
2. When you overtake and pass a car do not cut in again until you are about 50 feet ahead of the car you have passed.
3. Do not pass a vehicle at a highway or street intersection.
4. Carry extra light globes in your tool box just as you would extra tubes or tools.
5. Put on your skid chains at the first sign of wet weather.
6. In wet weather apply your brake with the clutch still in when you start to stop.
7. Remember that a chain on one wheel only is worse than none at all.
8. When negotiating a corner or curve, don't jam your throttle on too soon. Bad skids occur in this way.
9. Approach all crossings cautiously, the worst accidents occur at crossings.
10. Do not straddle car tracks when driving on slippery streets. Your wheels are liable to jump.

PUT THIS IN YOUR POCKET

A new passenger automobile of small structure is proposed for the American market, made almost entirely of aluminum and duralumin, and weighing a little more than 200 pounds. It is planned for two passengers, geared to a speed equal to that of the average touring car, making 75 miles on a gallon of gasoline. It is said the car can conveniently be parked in a hallway or on the roof of an apartment building.

BUT WHAT DID SHE CARE?

In the early days of the automobiles, when staid citizens thought it was scandalous for a woman to do anything so extremely vulgar and bold as to drive a car, Mrs. Clara Center, now of Lindsborg, Kan., used her "horseless carriage" to gather up the cows in the pasture for the evening milking.

MASSACHUSETTS CRASHES

Motorists from other states who are convicted of violating any of the automobile laws in Massachusetts must immediately forfeit their non-residence rights and must immediately register their cars in Massachusetts, instead of enjoying the thirty-day privilege.

AN AUTO FOR EACH PASTOR

Because the automobile has now become a more essential part of the equipment of a church, according to Superintendent Robert R. Biggar, a car for every pastor is the goal of the Bloomington (Ill.) district of the Presbyterian church.

Studebaker Leading Sales In California, Excepting Ford Cars

A report recently issued by the Automobile Chamber of Commerce shows that only one other manufacturer, Henry Ford, produced more automobiles during the first half of 1921 than Studebaker.

California sales have kept pace with production as the registration reports show Studebaker leading for the first nine months of 1921 over all other makes except Ford.

In checking up registrations of all cars selling at or above the Studebaker prices S. C. Packer of the Packer Auto company, local distributor of the Studebaker line, found that 70 per cent of these cars, including all types, were six cylinder models and that out of every 100 sixes registered 29 were Studebakers.

"This leadership is due," said Mr. Packer, "to satisfied owners. They have been passing the word along to their friends that they not only get greater satisfaction out of six cylinder performance but that their Studebaker gives them greater economy of operation than any other make or type of like size or power, which they have driven."

A big six, seven passenger Studebaker sedan is now on display in the showrooms of the Packer Motor Car company, 245 South Brand boulevard. It is the first one received in Glendale and the third one put on exhibition in the whole of southern California.

All of the sedans manufactured by the Studebaker corporation previously have been five passenger cars. The new model has all the newest improvements, including a ventilator over the cover to cool the carburetor, radiator to warm the interior compartment, folding steering wheel, the rear of the front seat is specially constructed to overlap the folding square seats. The gray upholstery is very elegant.

MUST BE 18 TO DRIVE CAR

Under the law no boy less than 18 years of age is permitted to drive an automobile or truck for hire in Illinois, and every one who operates a motor vehicle for hire or compensation of any kind must have a chauffeur's license.

COMPULSORY INSURANCE?

Compulsory state automobile insurance may be issued in California as a result of the appalling increase in motor vehicle accidents, largely caused by irresponsible and uninsured-operators.

In Japan when anything goes wrong with an automobiles, owners are instructed to notify the police immediately.

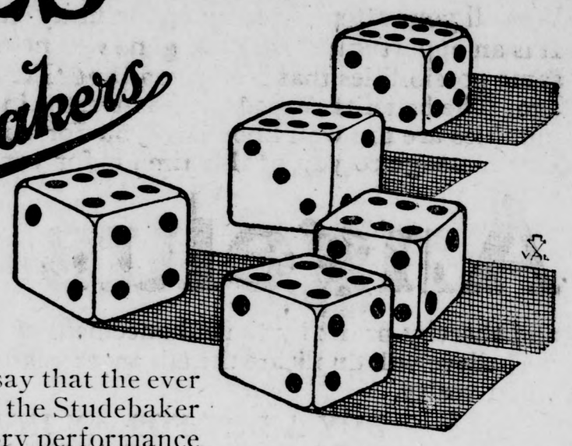
The WINNING SIXES ARE Studebakers



STUDEBAKER owners say that the ever increasing popularity of the Studebaker is due to the more satisfactory performance that a SIX gives and the greater economy of Studebaker SIXES.

Studebaker popularity and leadership are most convincingly shown in the 1921 registration reports of cars sold at $1375 or more in California.

Seven out of ten cars sold at $1375 or more are SIXES and 29 out of every 100 SIXES are Studebakers.

You will appreciate this popularity and leadership of the Studebaker if you will accept our standing invitation to take a real ride with us. You need but to phone.

With the Studebaker LIGHT SIX now selling here for $1375 there is no longer any need for you to deny yourself the satisfaction of a SIX.

The WORLD OVER
By FRANKLIN B. MORSE.
PACIFIC SPORTS SERVICE

If the California winter baseball league can pull off a finish as close as that of the coast league, there should be a merry clicking at the turnstiles. With Tyrus Cobb as manager of one of the four teams in the outfit, the others will have to do some hustling. The season will run for a period of ten weeks and the roster of players includes some of the best players in the major leagues as well as the coast league.

When the University of California finishes building its stadium, it will have the only double decker affair among the colleges. The proposed stadium of the New York Giants of the National league calls for a two-story structure.

We read that tennis players are sprinkling their racquets with talcum powder which forces us to the conclusion that the raw beef days of athletics is fading away in the dim distance.

One sports writer says that if the public derives any amusement out of watching the antics of two wrestlers in the ring, far be it from him to print anything that will deprive it of its enjoyment, for which magnanimity said public doubtless truly is appreciative.

Jess Willard attempts to commit suicide. This was the head some enterprising copy reader placed over the story that the Kansas farmer was seeking another match with Jack Dempsey.

Judging from the various civil suits for the recovery of money on various pretexts from Jack Dempsey, the champion needs a variety of lawyer with even a greater reputation than the well-known Philadelphia brand.

There are plenty of rumors going the rounds that eastern football teams are becoming decidedly disinclined to come west and meet the Pacific coast champion in a semi-tropical climate such as prevails at Pasadena on New Year's day. Well there are other and cooler places.

SPORTS CHATTER
By BILL UNMACK
PACIFIC SPORTS SERVICE

The feat of Duffy Lewis of Salt Lake coast league baseball team in finishing the season with .401 per cent among the batters is unquestionably ahe most noteworthy feat that has been accomplished in the coast league since its inception. It marks Duffy Lewis as anything but the "has been" that the major leaguers figured earlier in the season when he was sent to the Salt Lake team.

It is the first time in the history of the Coast league that a "regular" has gone over the .400 mark. Back in 1906 Brashear of Los Angeles finished the season with .388, but he had only played in sixty odd games. There have been one or two men in the Coast league with a better average than .400, but their claims to recognition are not significant as their games played have been comparatively small. Lewis did not start the season with the Coast league, but came from the majors and has been playing consistently every day since that time.

Back in 1910 the leading batsmen of the Coast league was Shaw of San Francisco and his average of .281 still stands as the record low percentage for the leading league hitter. For three years in succession Salt Lake batters have held pride of place in the Coast league of batsmen playing in 100 games or more and each year has proved to be the record high percentage of the leading batsman of the league. Rumler led in 1919 with .362, Earl Sheely led last year with .371 and now comes Duffy Lewis with .401.

From 1905 to date the leading batter has shown a percentage of better than .350 only on five occasions, while in 1909 and 1910 the figures would indicate that batting was at its lowest ebb as the leading hitters showed .298 and .281, respectively, and again in 1914 the top figure was only .292.

The leading batsmen of the Coast league averages since 1905, team represented, games played in and percentage follow:

Year—Player, Team	Games	Pct.
1905 Blankenship, Seattle	106	.311
1906 Mitchell, Portland	164	.351
1907 Eagan, Oakland	194	.335
1908 Easterly, L. A.	123	.309
1909 Melchoir, S. F.	195	.298
1910 Shaw, S. F.	155	.281
1911 Ryan, Portland	190	.333
1912 Heitmuller, L. A.	141	.335
1913 Bayless, Venice	195	.324
1914 Ness, Oakland	186	.292
1915 Wolter, L. A.	150	.359
1916 Fitzgerald, S. F.	132	.316
1917 Rath, Salt Lake	197	.341
1918 Pick, S. F.	102	.333
1919 Rumler, Salt Lake	151	.362
1920 Sheeley, Salt Lake	188	.371
1921 Lewis, Salt Lake	105	.401

Bull Fight Will Be One Attraction for Auto Trades Session

H.M. Kuhn is leaving Glendale in a day or two to attend a bull fight.

No, that's not quite accurate, but—

Mr. Kuhn, who is connected with the E. W. Cizek Auto-Electric company, 300 South Brand boulevard, expects to journey to San Diego Sunday as a local delegate to the southern division convention of the California Automobile Trades association. This will be held Sunday, Monday and Tuesday under the auspices of the San Diego County Auto Trade association.

A real honest-to-goodness bull fight is being arranged. No, the delegates will not bring the bulls along. They will be imported for the occasion from Mexico City. The "killing" will be followed by a barbecue at Tia Juana. Rather tough on the bull.

Delegations of auto men from all parts of California will attend the sessions and much fun as well as well as considerable business will be in order. The U. S. Grant has been designated as the official hotel and all delegates and their families will make it their headquarters. For the women has been planned a trip around San Diego and the surrounding territory. The big banquet comes Monday night.

Six or seven automobile loads of members of the local San Gabriel Valley Automobile Trade association will leave this vicinity early Sunday morning, returning late Tuesday evening.

RECORD FEE IS COLLECTED

The Motor Vehicle Bureau of New York has collected receipts of $9,229,366.22, accruing from the registration of automobiles and motorcycles and the licensing of chauffeurs and operators from February 1. This sum establishes a record.

MEN, DON'T READ THIS ONE

Women are found to use more care and have fewer accidents while operating motor vehicles than men. They, too, are credited with showing more courtesy on the highways.

JUST TELL IT TO THE JUDGE

"Court convenes at 9:30," is a warning sign to motorists of the danger of fast driving, and is conspicuously posted on several prominent highways leading into Quincy, Mass.

MEXICO LIKES THEM, TOO

During the six months ending June 30 last, Mexico was one of the heaviest foreign purchasers of American motor cars, parts, tires and accessories. During that period automobile goods valued at more than $15,000,000 were imported from the United States.

High Mileage From Hupmobile; Economy Proven, Says Agent

"Every one is figuring nowadays on economy and where to get the most for the least money," declared Lanier Bartlett of Bartlett & French, 201 South Broadway boulevard, yesterday afternoon. "The little matter of economy provided upon the Hupmobile has great weight."

Attention was called by Mr. Bartlett to the needle valve adjustment for the carburetor which is controlled from the dashboard of all Hups.

"This is different from the usual choke," said Mr. Bartlett. "It allows the introduction of additional gasoline, enriching the mixture to any extent desired. This enables the carburetor to be adjusted for a very lean mixture. When the motor is cold this is overcome by this regulator. It saves quite a bit of gas and enables Hup owners to get their high mileage of from twenty to twenty-five miles from a gallon on a straight run."

Autolectric Service Company Trade Grows

Increased business has caused some alterations in the premises at 113 West Harvard avenue occupied by the Autolectric Service company, according to H. M. Parker.

The entrance on Harvard has been moved to the extreme east side of the garage in order that autoists may drive in, have their electric and battery work attended to and drive out again through the alley on the west side of the building.

A new show window is being installed also and when it is completed in a few days a number of auto accessories will be put on display.

A POINT ABOUT TAXATLON

All owners of passenger automobiles, in filling out their income tax returns, may deduct from gross income the amount they have paid for license fees, such fees being regarded as a state tax. Cost of gasoline, ordinary repairs, depreciation and upkeep of an automobile is not deductible.

JAPS TRY 'THE MIDGET' CAR

A small automobile named "The Midget" now in the period of trial in Japan has a wheelbase of 84 inches. The total weight of the car is 850 pounds. The machine is designed for the narrow and crowded streets in that country.

Anatol L. Randau and Miss Matty Friedalbeitzer, of Brooklyn, N. Y., recently motored to Huntington, L. I., and were married while standing in their car.

ILLINOIS LEADS THEM ALL

Pennsylvania has over 9500 motor trucks on farms. Of the states reporting the largest number of motor tractors on farms in 1920, Illinois stood first with 23,102, followed by Iowa, 20,270; Kansas, 17,177.

Why Pasteurized Milk?

By HENRY F. MILLER

Dairy and Food Inspector, Kenosha, Wisconsin

Many people do not understand what pasteurized milk is and its purpose. Others still cling to old obsolete ideas, believing in the "good old days," when we had the "Old Oaken Bucket," when we had the common drinking cup on the street fountains, when the milk had that good flavor, which is nothing more or less than the animal taste of uncooled milk. Clean milk, properly cooled, has no flavor.

Properly pasteurized milk is not boiled milk nor is it scalded milk. It is milk heated to 145 degrees F., which is 67 degrees below the boiling point, and then immediately cooled. Such milk has no cooked taste, does not alter the chemical composition of the milk in any way, does not kill the vital thing milk has—vitamines.

What does it do then? Only one thing. Guarantees that your milk is safe, free from the bacteria that cause tuberculosis, typhoid fever, septic sore throat, etc. Yes, this is the one and only thing pasteurization does, and the only way that the milk from even the best dairies can be made safe. You say, "Who ever heard of such things happening from fresh milk coming from good clean dairies?" Only a few years ago at Galesville, Wisconsin, a little village of some 900 people, there was an explosive outbreak of 325 cases of septic sore throat, several of the cases proving fatal. The source was finally found to come from one of the cows in the best dairy furnishing the village supply; and so many cases can be found. Must we pay such a penalty to learn the lesson?

Heating of milk to 145 degrees for thirty minutes causes no chemical change in the composition of milk, except to slightly destroy the cream line. Criticisms are still made that pasteurized milk is more constipating and causes rickets and scurvy. To quiet such criticism New York and Washington have been conducting experiments along this line, Thousands of children were fed pasteurized milk daily for three years and the average daily increase in weight of the babies thus fed was equal to the average increase in weight of the babies of like age fed clean raw milk, and no cases of rickets or scurvy developed. Whether babies receive raw or pasteurized milk they should in either case have orange juice, tomato juice or potato water as an anti-scorbutic.

There are those who claim pasteurized milk has greater difficulty in digestion. This is founded upon misapprehension, as can readily be shown by comparing the action of rennet ferment on raw milk and on milk that has been previously heated. There are exceptional cases where infants cannot assimilate pasteurized milk but so are there exceptional cases where infants are "actually poisoned by their mother's milk and begin to bloom and blossom as soon as they are placed on pasteurized or guaranteed or certified milk, the latter two being far superior to ordinary raw milk.

An example of the protection given by pasteurized milk can easily be deduced from the following:

In Chicago there has been no milk-borne epidemic of contagious disease since July 22, 1916, when an order was issued requiring all milk to be pasteurized. The typhoid fever death rate dropped from 19 per 100,000 in 1909, when pasteurized milk was first instituted, to 1 per 100,000 in 1917, when 98 per cent of the milk was pasteurized. Infant mortality under one year dropped from 70 per 1,000, when no milk was pasteurized, to two, when 98 per cent was pasteurized.

The Glendale Creamery has recently installed in their plant the latest and most sanitary pasteurizing and cooling equipment for your protection. Is your family getting the benefit of our efforts to produce the best possible milk which is proven by our recent scores at San Fernando Fair of

First Place, Guaranteed Milk..... 97.6
Second Place, Pasteurized Milk..... 97.4

Phone Glendale 154 today for a trial order delivered fresh, in time for breakfast, and you will notice the difference.

TAXATION BILL AND TARIFF MEASURE UP FOR ACTION

Federal Reserve Statement's Explanation Given; Report Business Conditions

By U. S. Press Association

WASHINGTON, Oct. 15. — The taxation bill has been the target of the "agricultural bloc" in the Senate, with the result that it is being "done over" in many important respects. After the taxation bill is disposed of the Senate will take up the tariff bill, which has proved so unsatisfactory to many Republican leaders, that the House measure is likely to be made over in the Senate. After considerable negotiations and several conferences at the White House, between the president and Senator Lodge, the agricultural bloc significantly issued a call, through Senator Kenyon, for a meeting of that group—which comprises both Republicans and Democrats—to consider the action to be taken in putting through certain measures of concern to the western farm interests. This followed the compromise agreement on the tax bill, which will materially change that combined effort of Messrs. Fordney and Penrose.

Astute political observers pretend to see, that in the activities of "middle-of-the-road progressives" and the "agricultural bloc" the "old guard" is in a position so that it will have to yield one compromise after another for a few months yet to maintain their control and to keep the divergent factions within the party from going off on a tangent. The same observers prophesy that next year the situation will be different because if the differences which threaten the Republicans with internal dissensions can be patched up until the congressional campaign gets under way, the instincts of personal interest and self-preservation will weld them together again in their political struggle, in which every senator will be interested, not only to hold his own seat but to hold his place of dominance at some committee table.

Own the Corporations

The desire of the public to have a closer relation to their great corporations prompted public officials who could do anything they wanted to under stress of war, to "take over" the railroads and wire lines. That period having passed, the public-service corporations inaugurated their drives throughout the country to secure "customer ownership" of their properties. The American Telephone & Telegraph company has made particularly notable forward progress. This is described in "The World's Work" for the current month—from which the following excerpts are made: "In the fifteen months that this campaign among telephone subscribers has been carried on, more than 35,500 new stockholders have been added to the books of the company. This does not include 7,000 additional stockholders added in connection with an offer of $90,000,000 new stock to stockholders this year. The stock which telephone subscribers have bought has been purchased for them in the open market and they have paid the current market price for it.

"Credit for the remarkable success of this campaign is due to the effectiveness of the appeal made by the investment house which circularized the telephone subscribers and the company's long-continued campaign to win public favor by incessant advertising and fair dealing. The argument of the appeal, which was made in a dignified way, was that the subscriber should buy enough telephone stock so that the dividend from it would pay his telephone bills. This recognizes the fact that the average American does not save money for the sake of saving it, nor invest it for the pleasure of seeing the interest accumulate, but saves it for the sake of spending it later and invests it so that he can buy something with the return therefrom."

In twenty-one years the company's stockholders have grown in number from seventy-five hundred to one hundred and seventy-five thousand. A campaign to interest telephone subscribers in the stock swelled the total in the last nine months half as much as in the previous five years. These figures do not include forty thousand telephone company employes who are buying the stock on the partial payment plan from the company.

Recommends Judgeships

The Senate Judiciary committee within a short time, is expected to report a measure for the creation of additional Federal Judgeships, probably eighteen in number, to relieve the congestion in Federal courts throughout the country. This was recommended to the committee by Chief Justice Taft of the United States Supreme Court and Attorney General Daugherty. Committee members agreed as to the need for more courts, but questioned whether the new judges should have roving commissions, or should be permanently located. A sub-committee was named to study the situation and hold further hearings. The committee questioned Justice Taft and Mr. Daugherty about the extent to which prohibition cases are to blame for clogged dockets. Judge Taft said business of Federal courts has increased 8 per cent as a result of dry-law violations, despite the popular opinion that the extent was much greater than this. "Do you think that prohibition cases will increase?" asked Senator Reed, of Missouri.

"I do not hesitate to say that I believe violations of the prohibition law will greatly increase before they begin to grow fewer," the Chief Justice replied. Attorney General Daugherty disagreed with the opinion of Justice Taft that prohibition violations would increase.

"Prohibition cases have reached their peak now," said Mr. Daugherty. "At the outset it was believed the dry laws could not be enforced, but I have seen that theory disappear." State courts, the attorney general said, are exhibiting greater willingness to co-operate with Federal in enforcement. Both he and Justice Taft favored assignment of two new judges to each of the nine judicial circuits.

STATE OF IOWA IS MAKING PLANS TO HELP WORKERS

System Is Being Used in Big Campaign to Get Places for Those Unemployed

DES MOINES, Oct. 15. — Iowa today is claiming the honor of being the first state in the union to make a concerted, statewide effort for the relief of unemployment. As a result of the observance of "unemployment day" throughout the state, definite plans are under way today that are expected to lessen greatly the discomfort and hardship that otherwise would result to those who were involuntarily idle throughout the winter.

A resolution circulated throughout the state by the Des Moines council of social agencies, asks that:

Home owners clean up and repair their properties immediately.

Public officials start public work at once.

School boards commence building operations as early as possible.

Work be distributed, so far as possible, so that there shall be at least one worker in each family.

Planning Conference

Employers retain during the winter all persons now employed and that efforts be made immediately to find workers for newly created places of employment and that working schedules be re-arranged so as to distribute wages to a maximum number of persons.

In calling for observance of "unemployment day" Governor Kendall said there were 50,000 persons idle in the state. The governor is planning a conference next Tuesday with executives of other states at which the "Iowa idea" will be spread over the middle west.

Reports from scores of towns and cities throughout the state indicate that practical plans for the relief of unemployment have resulted from "unemployment day" observance.

South China Army to Start Drive on Peking

WASHINGTON, Oct. 15.—Dr. Sun Yat Sen, president of the south China faction of the Chinese republic, will leave Canton with a staff of ministers and generals on October 15 to take over command of the south China army at Hunan and lead the drive on Peking, according to advices reaching the legation here of south China.

Thirty thousand Chinese soldiers are now on the march to the relief of Hunan and Hu-Pei provinces, which are engaged in civil war against the north China republic. The people of Hunan and Hu-Pei are desirous of autonomy and have revolted against the government of President Hsu Shih Chang of north China, according to advices received here by south China representatives.

Lloyd George Decides to Attend Conference

LONDON, Oct. 15.—Premier Lloyd George has notified his colleagues that he has definitely decided to attend the Washington conference on the limitation of armaments, it was learned by the International News Service today. The premier has arranged with the Cunard Steamship company to speed up the sailing of the Aquitania so that the British delegation can be assured of arriving in Washington in time to attend the opening of the parley.

Transportation Taxing on Post Packages Off

WASHINGTON, Oct. 15. — The transportation tax on parcel post packages was eliminated from the pending tax bill by a viva voce vote of the Senate in accordance with the Republican compromise tax program.

LAST OF WILD LAND OPEN

With the recent opening of the Wind river extension of the Rocky Mountain Highway, it is said the last of the really wild lands of the United States are available to automobile travel. The total distance from Denver to the Yellowstone National park over the route is 589 miles.

CONSIDERABLE TAXI RIDE

Because it was too warm to travel by train an elderly Scotch woman in London desiring to visit relatives in Braemer, Scotland, hailed a taxicab. The ride covered 800 miles. Besides a substantial fare the traveler gave the driver a $50 tip.

Automobile interests in this country, it is announced, are now registering the most sales from the urban centers of the South, Pacific Coast and Middle West states.

Automobile stealing is comparatively rare in Mexico.

An Important Message TO YOU

We call your attention to an opportunity for making realty profits. It is an opportunity that once gone will never return. It presents the same possibilities that Hollywood and Glendale presented a few years ago. The benefits reaped by the investor in real estate in those communities are too well known to you for us to dwell on the subject. Our message to you at this time is for you to secure a lot at

Angelus Park

and thereby profit by the enhancement of values in this Tract, which we believe will duplicate the advances made in Glendale and Hollywood realty.

BUY A LOT FOR AN INVESTMENT
BUY A LOT AND BUILD A HOME

You will be astonished at conditions and prices that prevail at Angelus Park. It surely demands an investigation on your part. Visit Angelus Park and select a choice residential lot. Former low prices are still in effect.

$720—Large Level Lots—$900

Think of these prices. Where in or near Glendale can high class desirable lots be purchased at anything near these prices? They really are worth much more, lots in the immediate vicinity are held at prices ranging from $1200 upward. Verify these facts, you will then buy.

Ideally Located

Angelus Park lies between Glendale Boulevard and Tropico Boulevard in Los Angeles City Limits, adjacent to South Glendale. The Tract Office is on the Corner of Seneca Avenue and Glendale Boulevard which is the Richardson Station of the Glendale Car Line. Our Agents are there daily. Make it a point to stop off and look these lots over. That is our message.

Announcing the Opening
of the
DOLBERG STUDIO

Monday, Oct. 17

We open for your convenience one of the best appointed studios in this section.

The furnishings and equipment have been installed with a view toward giving you the very best of service.

The secret of our success lies in the fact that, in addition to producing a chemically and technically perfect photograph, we study the individual and we portray, along with the likeness, that life and expression known as "Personality."

We take pleasure in making any special design or finish portrait for the particular person.

The new "Ultra Blue" light, which is so beautifully soft and yet brilliant, is a part of our fine equipment. Therefore, we do not depend upon daylight with its uncertain changes because we are working under the uniform "Ultra Blue."

We use only highest grade materials and tested chemicals. We employ only artist retouchers. We specialize in the photographing of children. We guarantee our work. We guarantee your satisfaction.

FERRIS HARTMAN IS GIVEN GREETINGS AT T. D. & L.

Comedian and Company of 14 In Musical Playlet; Bill Is Repeated Tonight

Glendale turned out by the hundreds last night to pay tribute to a fellow Californian, Ferris Hartman, who brought his entire company of fourteen people to Glendale as the headline act on the Meiklejohn and Dunn Vaudeville road show at the T. D. & L. theatre (formerly the Palace Grand).

Mr. Hartman lived up to the advance notices and "The Toymaker," a miniature musical comedy, gave satisfaction. The costumes were up to the minute, the dancing was superb and the comedy, plus the tiny plot, was of a nature to please all.

Everybody seemingly enjoyed the cyclonic comedy "Good Night Nurse," featuring Martha Golden. There is little wonder that Alexander Pantages has purchased it for his circuit.

All five acts were applauded by a packed house last night. Singing, dancing and comedy—the latter predominating—was offered. There were two "full stage" acts on the program calling for special scenery, lighting and scenic effects.

The Meiklejohn & Dunn vaudevill shows will be a permanent feature at the T. D. & L. theatre every Friday and Saturday.

Two Shows Tonight

Tonight two shows will be presented—the first at 7 and the second at 9 o'clock. The pictures will be "The Off Short Pirate," starring Viola Dana, and "Miracles of the Jungle."

Thomas Meighan and Agnes Ayres in "Cappy Ricks" and Mack Sennett's comedy "On a Summer's Day" will head the bill for Sunday and Monday. Monday night will be another "Mothers' Night," with some of Glendale's kiddies on the stage.

Nine Houses Being Completed; Contracts Are Let for More

With nine houses to complete within a month and contracts for more, B. W. Sherwood, designer and builder, 313 South Brand boulevard, is being kept busy. Right now he is engaged in building modern bungalows for the following: Albert Marple, 716 South Louise street; Frank Welch, 1014 South Mariposa street; G. W. Rich, 514 West Oak street; H. Rueter, 356 West Acacia avenue; Miss Emma Potter, West Maple street; Mrs. M. Jennings, 1421 East Rock Glen avenue, and two for Mrs. F. M. Brown, 654 and 651 West Alexander street.

In addition, work will start soon on two houses for C. W. Ingledue on Belmont street and Palmer avenue. Other building activities of Mr. Sherwood extend from Flintridge and Eagle Rock to Hollywood.

International News Features Given on Glendale's Screen

You read International Leased Wire News in The Glendale Evening News each day and on Saturday you see it portrayed on the silver bead screen at the Glendale Theatre. Today the news reel, which is a part of the combined film and vaudeville program, has pictures of opening games in the eastern football season; principals in the unemployment parley which was covered in this week's paper by the U. S. Press association; a review before the King and Queen of Spain in which his majesty is shown as a colonel of infantry; and an air attack at Chesapeake Bay on the former battleship Alabama. Heroes of the world's series also are shown in action. You will enjoy International News.

THANK YOU!

Glendale, Cal., Oct. 13, 1921.
Glendale News,
Glendale, Calif.
Attention Editor:
Dear Sir:

Please accept the hearty thanks of all the parish of the Holy Family church of Glendale, the Rev. James S. O'Neill and his parishoners, particularly those who worked on the committees that put over our recent Bazaar, for the wonderful support and publicity which we received from your splendid progressive newspaper which brought hundreds of people to the Bazaar that we were surprised to meet.

Your splendid spirit of co-operation is sincerely appreciated and we all heartily thank you.

Very truly yours.
JESSE E. SMITH,
Chairman Publicity Committee.
Approved, Rev. James S. O'Neill.

IRISH DELEGATION SPENDS DAY IN CONFERENCES

Awaits Answer to Message to Eamonn DeValera; Secrecy Is Being Maintained

By DANIEL O'CONNELL
Written for International News Service

LONDON, Oct. 15.—In the absence of a formal session of the Irish peace conference today, the Sinn Fein delegates conferred among themselves, meanwhile waiting an answer from the message which was sent by Special Couries to Eammon DeValera at Dublin last night.

The communication was understood to have referred to Premier Lloyd George's question whether the Irish would consent to a continuation of the deliberations upon the basis that Ireland remain a part of the British empire.

Different Viewpoints

Contrary views were expressed as to the viewpoint of the conferees. A report was current in official circles that the British delegates were pessimistic and that the Irish envoys feared that the conference might end next week. On the other hand the Daily Express said that "there is entire satisfaction on both sides over the progress made so far."

An agreement for strengthening the Irish truce was reached on Friday and is being put into effect over the week-end. This made it appear that both sides believe that the conference will continue indefinitely.

The full details of the armistice arrangement have not been published, but will be made public next week.

Maintain Secrecy

The delegates are maintaining the utmost secrecy regarding the subjects that have been discussed. It is understood, however, that the conference is now at the heart of the Irish problem and that it was upon the request of the Irish that a postponement was taken until Monday to enable certain inquiries to be made at Dublin.

Progress has been made on issues dealing with the armistice and the treatment of Irish prisoners and it is believed an agreement may be reached when the parley is renewed Monday. Brtain has refused to liberate the Irish prisoners, but has promised to accord them better treatment. The prisoners will be reclassified and this may be the first step to the release of some of them.

It was reported that Michael Collins might return to Dublin over Sunday on account of "family affairs" and to consult with DeValera.

Green & McClellan, Oakland Agents, to Construct Addition

Growing pains suffered by the Oakland agency of Green & McClellan, 115 West Harvard avenue, are forcing Max Green to begin extensive enlargements.

An addition 50 by 50 feet in area is being added to the rear of the present garage. This will make the shop three times its size now. The showroom will be greatly enlarged also. Active work was commenced this morning and it is estimated that it will require six weeks.

"We have outgrown our present quarters," stated Mr. Green. "In fact, we outgrew them some time ago. I have been waiting for prices to come down for a long time, but it has gotten to a point where something had to be done regardless of prices. I don't think prices are going to come down much more."

Local People to Take Part In Fall Festival

The program for the Metaphysician's Fall Festival, which is to be held October 17 to 21 in Music-Art Hall, 233 South Broadway, Los Angeles, under the auspices of the Metaphysical library, includes eminent speakers, teachers and musicians from all parts of the country, including Glendale. Dr. Ameen U. Fareed of Verdugo Woodlands will give an address Monday afternoon on "The Creative and the Collective Book." Monday night the program will include a vocal solo, "Vision" by Mrs. Mabel Capell of 225 West Elk avenue. Dr. W. F. Keeler of Tujunga will be chairman of the program on Friday afternoon.

As Expected== Nash Leads the World in Motor Car Value

Nash Four Reduced to $1265

Effective Immediately

This Car at This Price Is by Far the Most Remarkable Motor Car Value in America Today

The Nash Four was designed, built and perfected as a light-weight, high-quality car and created a new standard of value at its original price of $1395.

From the first public recognition of the wonderful worth embodied in the Nash Four kept the demand always far ahead of our steadily increasing production.

Production Makes New Prices Possible

Now this production has reached a volume where by handing this car to buyers practically at cost we are able to make this new price effectively immediately.

Like money has never before purchased such great value in a high grade light motor car.

In every quality of appearance, comfort and performance this car displays its commanding supremacy and expresses that superior excellence which so conspicuously and invariably distinguishes a Nash-built product.

The beautiful body, finished in dark, lustrous blue, is unusually roomy. The thick upholstery of its wide, restful seats is of finest materials.

Superior in Every Outstanding Quality

The famous Nash Perfected Valve-in-Head Four-Cylinder Motor, the acknowledged performer among light-four engines, is now refined to the last degree. Its wonderful acceleration, fine speed, power on the hills and unusual flexibility in throttling down, leave it without a rival in its field.

Remarkable Riding Comfort

The unusual spring suspension of this great Nash Four gives a riding ease which equals that of far more expensive cars of greater wheel base.

See This Car Today—Drive It

Then you will recognize by how wide a margin it surpasses all the other light cars. It is the outstanding automobile value today—a real leader in the automobile industry.

Edwards & Wildey Company Has Dinner for Its Salesmen

About eighteen salesmen of the Edwards & Wildey company attended the monthly dinner last night at the Los Angeles City club. Among those present were E. P. Hayward, H. E. McCarthney and W. P. MacMullin of the Glendale office.

After a splendid dinner informal discussions were held for the mutual benefit of the organization and its members to secure more co-operation and greater efficiency.

There are eight offices of this firm and the reports read by Mr. Wildey showing the September business of each branch placed the Glendale office at the top of the list. The three hustlers from Glendale did more business than four other offices combined and exceeded its nearest competitor by over $20,000.

All indorsed the institution of the monthly dinner as a great help in securing incentive and enthusiasm. The firm offers a liberal check to the individual doing the most business in each month.

What every woman knows: How to manage her daughter's husband.

Trice Furniture Store Says Outlook Is Good

"Business has been pretty good so far. We have not had any formal opening yet. We tried to keep the door shut until we were ready but customers kept insisting upon coming in so we decided to go right ahead with business. People seem to be very enthusiastic about our lines of merchandise and I think we are going to have a lovely business.

The speaker was Mrs. G. Helwig, who is connected with the Trice Furniture store, 118 West Broadway, which opened this week. It carries a stock of Buck's stoves, gas, wood and coal, baby cribs, grass furniture, Lloyd's baby buggies, overstuffed parlor furniture and ivory gray and mahogany bedroom furniture besides a variety of rugs.

"We are going to carry the best lines," said Mrs. Helwig, "and I think the prices are right."

Different parts of the sun complete their rotation on the solar axis in different periods. At the solar equator the time of rotation is about twenty-five days, while near the poles of the sun a rotation occupies thirty-five days or more.

Stock Market Report

NEW YORK, Oct. 15.—The stock market closed weak today. Weakness in the railroad list on the strike call caused unsettlement in other parts of the list and declines of from fractions to nearly 3 points were general.

Great Northern Preferred sold down over 2 points to 69⅜. Northern Pacific fell 2½ to 70⅞. Reading, New York Central and Southern Pacific showed substantial declines. The oil shares after early strength sold off from their high figures. Mexican Petroleum yielded from 95⅜ to 93⅞ and Tex Com from 39¼ to 38½. The steel shares showed little change. The motors were strong.

Government bonds unchanged; railway and other bonds irregular.

Total sales stocks today 277,600 shares; bonds $6,386,000.

Total sales stocks this week 2,272,600 shares; bonds $80,887,000.

CHICAGO, Oct. 15.—Wheat rallied sharply in the later trading and closed uneven. Prices worked lower early on selling by figures given out on farm reserves, heavy buying by houses with northwest connections took the slack out of the market on the weak spots and shorts bid prices up at the close. Corn and oats followed feebly.

Wheat closed ⅛ lower to ⅛ higher. Corn ¼ lower to ⅛ higher and oats ⅛ to ⅜ higher.

DISARM WORLD OR FACE RUIN, SAYS U. S. ECONOMIST

Noted Author Discusses Some of Problems to Be Faced at Disarmament Meet

Alfred Owen Crozier of New York is a well-known author of books on finance and international law. He was asked by the United Press to discuss the coming disarmament conference from the standpoint of an economist. He outlines a plan for an association of nations.

NEW YORK—A new drive for permanent peace has been started. A tidal wave of public sentiment must be put in motion. The power of the people to get what they want must be demonstrated. The press is asked to help. It is feared that the disarmament conference will be a failure unless this is done.

A patriotic endless chain of correspondence is proposed. Every man and woman is asked to write three letters and then get three other persons to do the same. One is to be mailed to the president, one to a senator and the other to a congressman. Letters to local papers also are advised. The movement may spread to other countries. It may become an irresistible demand by the world's peoples on their governments for disarmament and permanent peace. The people can abolish war if they go at it in earnest. The alternative is to prepare for another and greater world war.

The nations should (1) reduce all national armaments and forces in concert at least half; (2) merge and use the discarded armaments to create one mutual world police power; (3) organize a representative Association of Nations to manage and control such mutual power and use it to prevent national re-armament and protect every nation against attack from the outside. It is the only way to abolish war and get permanent peace.

Primarily, the move to reduce or limit armaments is economic. It is merely an attempt to save dollars. It is not a plan to get permanent peace. It is, however, entirely justifed and necessary for economic reasons. The war increased the bonded debts of nations from thirty-nine to 200 billions and the annual interest thereon from two to ten billions. It increased the public debt of the United States from one to twenty-five billions and the annual interest from twenty to 1,000 millions. In thirty years this country has spent over eight billions, or more than the world's entire stock of gold, on its navy alone. Nearly ninety per cent of all our government collects and spends goes to prepare for war and to pay for things caused by war. No sane country would disarm and leave envious neighbor nations armed to the teeth. Disarmament must be in concert or not at all.

Must Not Be Deceived

The world's suffering peoples must not be deceived. They should know that limitation, reduction or even complete disarmament would not bring permanent peace. Unless re-armament can be prevented nations soon will be obliged to again increase armaments. The moment one big nation starts to rearm, all other nations must do the same. Then they will spend ten billions on new armaments for each one billion they now throw away. Of course that would mean another and greater world war. There would be no way to avoid it.

Re-armament cannot be prevented by mutual agreement. Treaties are "mere scraps of paper" when an ambitious nation ignores them. It can not be done by an alliance treaty. The allies of today are the enemies of tomorrow. If some nations were to use force to compel other nations to stay disarmed, that would be war. War cannot be abolished by more war.

World Police Power

The only way re-armament can be prevented without involving part if not all of the individual nations in another war is to create by a merger of armaments a mutual world police power that would be ever ready and strong enough to prevent a re-armament by any nation. That would end war, because nations cannot fight unless they can arm. If they arm, they will fight. That is human nature and it is history.

The American representative system would be the best model for the proposed association of nations. It can be modified to fit the limited field. Every nation should be represented an an agreed fair basis. Its assembly would enact all international laws. Its world court would enable nations to get justice without resorting to war. Iits council would conduct the business and use the mutual power for the impartial protection of all nations and to prevent any national re-armament. That is civilization's best machinery.

Up To Association

The whole responsibility and duty of maintaining peace and preventing rearmament would be on the association. Individual nations would not be involved at all. That makes it safe for every nation. Under the League of Nations plan, it is the nations themselves that must furnish and apply force. That would be war. It might involve all nations. That plan is dangerous.

There are just two alternatives. Hereafter the family of nations will be policed and guarded by one orderly mutual power or it will be terrified and wrecked by the forty national competing powers in a world war that will largely exterminate civilization and mankind. The nations now must abolish war or they will be one mad monarch, nor upon the acdestroyed by war. Red anarchy then would rule the world.

Hereafter the entire world must not be left to depend for its peace and security wholly upon the will of tion of one ambitious or frenzied people.

MILLION DOLLARS IS LOSS BY FIRE IN PARIS, TEXAS

Several Business Blocks Are Destroyed; No Lives Lost, Is Present Belief

PARIS, Texas, Oct. 15.—After a night of terror, fire which originated in the five-story building of the Rodgers-Wade Furniture company at 10 o'clock last night, destroyed several business blocks, then swept on to the residential section of the city, was at 7 o'clock this morning apparently under control.

The loss is estimated at fully one million dollars. The Rodgers-Wade Furniture company is the heaviest loser, their loss being estimated at $250,000.

Many residences on Bonham and Graham streets were destroyed.

This morning the scene of the conflagration is one of desolation. Families are grouped around their few possessions saved from the fire. The temperature is uncomfortably cold, though not freezing.

Hurry to Open Fields

Recalling the disastrous blaze of 1916, many hastily loaded their belongings on trucks or any available conveyances and hurried to the open fields.

Those whose homes were not destroyed are slowly returning but fear is felt by some that the flames may again break out. Every precaution against looting is being taken, special police and deputies being stationed in the business and residence sections.

So far as is known at this hour, no lives were lost or serious injuries caused by the fire.

Commission of Five Will Determine How to Make Big Loan

By GEORGE R. HOLMES
Written for International News Service

WASHINGTON, D. C., Oct. 15.—The terms and conditions under which Europe will undertake to repay the United States the eleven billion dollars borrowed during the war period, will be determined by a commission of five men appointed by the president.

This became assured today when, in the face of overwhelming congressional opposition, the administration decided to accept defeat on the Penrose bill, which would have concentrated power of settlement in the secretary of the treasury alone.

After a conference at the White House, President Harding informed Republican Leader Mondell that the administration would agree to the permanent discard of the Penrose bill and would get behind the new bill to be brought out by the house ways and means committee. The new measure will empower the president to appoint a commission of five, the chairman of which is to be the secretary of the treasury, to arrange the terms of settlement. The executive will not be limited in his selection, except in the case of the treasury head.

President Harding informed Mondell of the administration's desire that the new bill be rushed to completion, reported out and passed as soon as possible.

President Harding is anxious for the passage of the bill before November 11. When the armament and Far East conference meets here on that date he wants the administration to be in a position to arrange settlement of the allied indebtedness if the consideration of this question is forced upon the United States by the allied statesmen.

Charles B. Guthrie Is Busy, for Here's Proof

Between consultations, transactions and the lunch hour today Charles B. Guthrie, 103½ South Brand boulevard, reported real estate sales made for the following: Charles Norton and father, ten acres on Sixth street; Eleanor W. Harvey, five lots at Adams and Windsor; S. A. Robinson, lot on Windsor, between Central avenue and Columbus; E. S. Calvert, lot at corner of Glendale and Cypress avenues; Mrs. G. W. Spencer, five lots at Gilbert and Pacific; W. A. Carden, lot on North Louise; Ada F. Taylor, lot on Central and Palmer; Daisy H. Finley, lot on Brand, between Doran and Lexington; J. Almada, two lots on West Elk, between Pacific and San Fernando.

When a nervous man has so much business he doesn't know what to do, he usually winds up his day by not doing much of anything and going out in his automobile.

Many People Being Brought to City by Fine Subdivisions

The Edwards & Wildey company, successful subdividers with years of experience, are opening a new tract of fifty lots at Sixth and Pacific avenue. This firm reopened their office after the war about a year and a half ago, and have done a great deal, if not more than any other firm, to build up the city of Glendale, they state.

They have shown their faith by investing a great deal of money here, taking up one tract of land after another and selling at such prices and terms as to enable many new homes to be established. It is noteworthy that a large majority of the builders have been people from out of town, induced to come here by the advertising and salesmanship carried on by this organization.

They are represented by three Glendale men, W. P. MacMullin, H. E. McCartney and E. P. Hayward, all of whom have been residents of this city for several years, one over twenty-five years and another nearly ten years.

They are particularly proud of their first subdivision, the "Kenilworth Tract," and their fair dealing with all who have bought from them has been exhibited by their untiring efforts to uphold the restrictions in preventing the building of garage houses during this period, when such building has been very popular and almost necessary.

They hope for splendid success in their latest addition which will bring more people to this city.

Transfers of Service

The following requests for transfer of light and water service are on file in the office of the department of public service in the city hall:

E. E. Davis, from 128 North Cedar; W. D. Nickum, 343 W. Lomita to 105 N. Brand; R. Page, 319 E. Dryden to 1122 Raymond; Mr. Morrison, 471 W. Wilson to 327 W. Elk. Requests for service: H. Bacon, 425 W. Elk; E. D. Marshall, 312½ Hawthorne; Wm. M. Schlinger, 412 S. Everett; Frank Fanta, 338 W. Pioneer Drive; Chambers Pharmacy, 401 W. Doran; A. J. Schmitt, 1501 Loraine; J. G. Morris, 140 N. Central; C. E. Volkert, 519 E. Palmer. Requests for installation of meters: H. A. Michel, 212 Hawthorne; C. A. Brandstater, 209 N. Columbia; Ed Bough, 309 Ethel; E. Lucas, 608 W. Elk; Dr. H. V. Brown, 116 W. Wilson; G. E. Griffith, 113 S. Glendale; W. C. Wilder, 805 S. Glendale; W. H. Chase, 826 E. Colorado; J. M. Webster, 1045 Ruberta.

The world is gradually growing better; you hardly ever see a bright red necktie, nowadays.

RUSSIAN REFUGEES REAL TASK FOR LEAGUE HEADS

Complicated Problem Before Officials; Many Thousands Are in Need of Care

GENEVA—What to do with the 300,000 to 400,000 Russian refugees who are now scattered throughout almost every state in Europe will constitute one of the most complicated problems to be solved by the second general assembly of the League of Nations.

The question of these Russian refugees has now reached such proportions as an international problem that it has been definitely decided by the European states belonging to the League that it can no longer be handled by individual governments. As a consequence, the problem will be taken up by the League of Nations with the co-operation of the International League of Red Cros Societies and the International Red Cross committee.

Extensive information has already been sent in to the League relative to the situation of the Russian refugees in different countries by South Africa, Germany, Belgium, Denmark, Spain, France, Great Britain, Poland, Czecho-Slovakia and Switzerland. This will serve as a basis for the international action to be formulated.

Problem Complicated

The problem is complicated, involving not only the legal status of these people in the different countries, but political, financial and economic aspects as well.

Based upon the information and the various suggested solutions which have been offered by the various European governments to date, the council has decided that the first step to be taken is that of the appointment of a high commissioner whose task it will be to co-ordinate the work being done not only by all European government but by all private associations on behalf of the Russian refugees.

High Russian representatives have asked the League to appoint, if possible, to this position a Serbian, who, because of the analogy of race and language, will probably be better adapted for inspiring confidence among Russian refugees.

Whilst awaiting the appointment of this commissioner, the council has ordered the League's secretariat to convene the officials responsible in each country for the welfare of the Russian refugees to discuss the problem.

One of the problems to be looked into is the possibility that sums of money and property belonging to the various Russian governments that have been sequestered in different countries be constituted into a relief fund for the Russian refugees.

Directed to Get Work

Another task will be that of directing these refugees into various countries where work can be secured for them.

In the meantime each government will be asked what amount of money it is now spending on behalf of Russian refugees and how much it may be able to contribute towards the general funds necessary for handling the problem on an international basis and for maintaining the international organization.

One of the especial ends that will be recommended to the high commissioner will be that of forming as many of the refugees as possible into colonies in different countries with especial attention being given to the social and ethical status of those making up each colony.

Special Batteries at Bargain Prices Now Being Offered

The Psenner-Doll Auto Electric company of 610 East Broadway is pushing Ford, Buick and Dodge special batteries at bargain prices this fall with remarkable success. Inasmuch as nine out of ten cars use one of these three special models, it means that everybody can save on the Philadelphia Diamond Grid batteries.

Messrs. Psenner and Doll are keeping their well equipped auto electric shop busy all of the time and they attribute this to the splendid co-operation given them by the Diamond Grid makers.

Home Cooked Food at Goodyer's Appreciated

"We have a very nice class of trade coming here for lunch and supper," remarked C. S. Goodyer, proprietor of Goodyer's Delicatessen and Lunch Room, 131 South Central avenue, this morning. "We try to give our customers the best home-cooked food obtainable and they seem to appreciate it. Our prices are consistent with the quality of the food, but we don't hold anybody up. There is nothing like serving the best."

Mr. Goodyer has an interest in a ranch at Baldwin Park and gets all his fresh eggs and chickens from there. During the past season, he served 672 fryers in his own lunch room. Tonight friccasee chicken will be on the bill-of-fare. Mr. Goodyer says that it will be enjoyed by all except the chickens.

"Sometimes in warm weather I have to cut up half a sack of 'spuds' just for our potato salad alone," declared Mr. Goodyer. "We put a special dressing and mustard sauce on it and that seems to give it a zest so that customers come back for more."

King Alfonso Becomes Converted to Aircraft

PARIS—King Alfonso of Spain has joined the ranks of royal air commuters. An air-taxi, designed for his personal use, has been completed by a French firm. The machine will make 130 miles per hour and bears the royal coat-of-arms. Jaille, a well-known French pilot, will act as chauffeur.

COIN FOR THESE COUNTIES

SACRAMENTO—State Controller announced today the receipt of $132,406.90 from the United States government on account of receipts from lands in forest reserves in California. This money is apportioned to the various counties located within the state forest reserves, according to the acreage in each county and reserve. The fund is made up from rentals received for grazing permits and for receipts from the sale of timber. Plumas county receives the largest share, $17,806.25. Tuolumne county is second with $14,119.03 and Eldorado is third with $11,429.30. The smallest portion goes to Orange county which gets $59.82. Alameda, Contra Costa, Imperial, Kings, Marin, Merced, Napa, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus, Sutter and Yolo counties divide the remainder.

DRAIN IN BATTERY BOX

A hole should be drilled in the bottom of the metal battery box to allow water or acid that happens to overflow to make its escape. This operation is assisted if the battery is raised up from the bottom of the box, on four little wooden cleats, which also assist ventilation. The best way to preserve these cleats is to boil them in paraffin before they are put in place, as this prevents deterioration, due to the action of the acid.

TIME CLOCK, NO CIGARETS

CHICAGO—A department store time clock has been installed in the Redill school of journalism here to record the coming and going of reporters—and cigarettes are taboo.

FAIL TO ROB CONSTABLE

VAN WERT, Ohio—Two men in an automobile invited Constable S. M. Baxter to take a ride, then they tried to rob him. The two men got away, but Baxter has the machine.

Land birds far from land is a strange sight on Lake Michigan steamers. At sundown the rigging and spars of vessels at the docks form good roosting places for the land birds. When the boats move out from under cover of darkness the birds are not aware of it. Upon waking up the birds circle around the vessel and finally rest on the rigging until they come to the boat's destination when they fly to shore to establish new homes.

Pulling teeth with only the fingers is the method used by Chinese dentists of the older class. From youth to manhood the dentist is trained to pull wooden pegs from a board and the training changes the aspect of the hand, giving him a finger grip equivalent to a lifting power of three or four hundred pounds.

The use of radium to color colorless stones has proved partially successful. Colorado topaz was tinted yellow by exposure, but the color was not permanent. Experiments with a view to making the color permanent are being carried out.

The ancient Egyptians used shears with one of the blades detachable for sharpening; a useful feature that has entirely disappeared.
